## **Report of Selectmen**

To the Citizens of the Town of Millbury:

The Board of Selectmen respectfully submit the reports of the various Town Officers for the year ending December 31, 1971.

Attendance records from January 1, 1971 through December 31, 1971.

No. of Regular Meetings Held — 51

Robert L. Maynard	50
Hymen J. Hy Sclar	40
Harold F. Ostrowski	49

No. of Special Meetings Held—20

Robert L. Maynard	20
Hymen J. Hy Sclar	18
Harold F. Ostrowski	20

On January 28, disaster struck the Town in the form of fire, destroying the Town Hall. The Board met 18 hours a day for 3 days and coordinated efforts to continue efficient Town government. Through the cooperation of many Town employees and department heads, many dedicated citizens, the generosity of the Millbury Credit Union, its officers and employees, and Saint Brigid's Church, all of whom the Town will be forever indebted, only one day was lost in service to the public. All Town offices have been maintained at one location, because of these efforts, with very little inconvenience to the public or the Town employees.

The Board voted to locate the Town Offices on the second floor of Fire Headquarters. The Police Headquarters was located in the meeting room of Fire Headquarters. The Town Meeting approved funds to finish the second floor of Fire Headquarters. May we take this opportunity to thank the Board of Fire Engineers for the cooperation they have given the Selectmen.

May we also add at this time that the time spent at the Millbury Credit Union and the three months that the Town used Saint Brigid's Church Hall was all free to the Town. Fitting plaques were awarded to Saint Brigid's Church, the Millbury Credit Union, and David Matson, who acted as liaison for the Board during the months following the fire, at a special Town Meeting held in July.

The Selectmen negotiated with the insurance company and as a result the Town received a total 100% settlement of \$254,328.14.

The Board held nine Hatch Act Hearings in cooperation with the Conservation Commission. The State Department of Natural Resources issued orders on the Board's recommendations, thus protecting the Town's natural resources.

The Board requested a hearing which was held at the office of the Outdoor Advertising Board in Boston on May 11, 1971, to protect any further permit to continue the billboard on Greenwood Street. In attendance at this hearing were the three members of the Board of Selectmen, State Representative Richard Dwinell, David Matson, Town Clerk, and Vernon Johnson representing the people of Greenwood Street. As of this date, January 24, 1972, no answer has been received from the Outdoor Advertising Board regarding this hearing.

Because of the inaction of the Outdoor Advertising Board and the continued work on this billboard, the Board voted to seek a restraining order preventing any further work and the subsequent removal of this billboard. After much effort and many hours of time a warrant was served on Merit Advertising in December, 1971. The restraining order was refused by Judge Rutlege, Worcester County Court ,and instead he ordered a speedy trial to be held in January, 1972. It is the intention of the Board to have this ugly billboard removed because it is a blight to the Greenwood Street neighborhood, the subject of many meetings and complaints, and a violation of Town By-laws.

Through the efforts of the Board, the United States Army participated in our Memorial Day Exercises.

The Board of Selectmen sought after and received a \$52,000 grant as part of the Emergency Employment Act to employ unemployed or underemployed persons for Municipal jobs. These jobs have all been filled. They include:

1. Custodian for the High School.
2. Clerk for the Police Department.
3. Planning Aide for the Planning Department.
4. Recreational Director.
5. Utility Man for Parks Department and Tree Warden.
6. Mechanic for Highway and all other Town vehicles.
7. Maintenance Man for Fire Department.

### 8. Supervisor for Sanitary Landfill.

The Town is receiving all this service and the only cost to the Town is in kind service in the form of record keeping, payroll records, and administration by the Selectmen.

The Board of Selectmen took a position opposing the enactment and subsequent signing into law of the guaranteed wage for Police and Fire Chiefs. We twice sent telegrams to the Governor requesting he veto this bill. We have requested both our State Representatives and Senator to support legislation to rescind this bill in 1972. The Board considers this legislation a violation of home rule. State Representative Dwinell supports the Board on this bill and we strongly urge every citizen to write their State Representatives and Senator urging them to rescind this legislation in 1972.

The Board of Selectmen adopted a system of auditing the Town Gasoline Account late in 1971. In the 1972 Town Report the Selectmen will be able to report the following:

1. How much gasoline was bought.
2. What department used it.
3. How much they used.

It is our belief that if the Selectmen are going to be responsible for this account we should set up safeguards for its proper use and report back to the taxpayers each year.

According to law the Board of Selectmen has ordered that a question be placed on the 1972 Election Ballot — the question authorizing the election of a Charter Commission consisting of nine members. This commission will report back to the Regular Town Meeting in 1973 with recommendations to maintain the status quo or change the Town Charter.

It is our firm belief that in order to insure economy and efficiency in Town government in the coming years some reform is in order. We strongly urge voters to vote (yes) on the question of a Charter Commission.

We would be negligent in our duty if we did not take the time to thank all the department heads whose cooperation we received and which words cannot express our sincere thank you.

Respectfully submitted,

ROBERT L. MAYNARD, *Chairman*  
HYMEN J. HY SCLAR, *Clerk*  
HAROLD F. OSTROWSKI, *Member*

Interest Collected—\$19.40	

Respectfully submitted,

**MILDRED V. KUNZINGER**

Collector of Taxes

**Report of Wiring Inspector**

To the Honorable Board of Selectmen:

I respectfully submit my annual report for the year ending December 31, 1971.

This department made 248 inspections.

All permit fees have been turned into the Town of Millbury.

No fee calls — 12 (For Town of Millbury)  
Paid inspections — 236

Total Collected	\$1,394.00
-----------------	------------

Applications for wiring permits can be obtained at the Town Clerks Room or by dialing 755-8915 anytime after 5:00 P.M.

Respectfully submitted,

**IRVING R. GABRIE**

Wiring Inspector

# **Veterans' Service Department**

To the Honorable Board of Selectmen:

As Veterans' Agent, I herewith submit my report of services rendered for the year ending December 31, 1971.

There were 34 Veterans admitted to the Veterans Administration Hospitals and 81 veterans treated in the VA clinics in Worcester and Boston. Also there were 851 applications completed, processed through this office and were forwarded to Local, State and Federal Departments. These consisted of Burial Allowances, Widows' and Veterans' pensions, State Bonus, Veterans Services Aid, Education, Military Headstones, and Certificates of Eligibility to purchase homes.

## *Recent Enacted Legislation:*

Veterans and servicemen who have used their GI home loan guaranty and, through no fault of their own, are forced to sell this home for reasons of health, employment, condemnation proceedings of Federal, State or Local government, may have their guaranty privileges restored.

The Veterans Administration noted that it must first be released from liability on the original loan before entitlement can be restored — usually by paying off the guaranteed loan in full.

Some of the reasons for which property may be disposed of and entitlement restored by VA include:

1. Limited space in the veteran or Serviceman's home, if a doctor certifies it is a health hazard, but an increase in the size of the family is not in itself sufficient grounds for restoration of entitlement.
2. Loss of employment through a reduction in force.
3. Transfer of employment from one locality to another by the veteran's employer.
4. Voluntary change in employment to another locality offering the veteran more income and opportunity for advancement — provided satisfactory evidence is furnished to the VA.

I wish to thank the Board of Selectmen and all other departments for their continued co-operation.

FREDERICK E. LUCAS

Veterans' Agent

## Report of Chief of Police

To the Honorable Board of Selectmen  
and My Fellow Townspeople:

Because of the Town Hall fire on January 28, 1971 it was necessary for the police department to relocate in the rear of Fire Headquarters on Elm Street in a room measuring 12' x 24'. I realized then and still do that the police department had to make adjustments and to maintain as much of our efficiency as was possible under the circumstances. However, because of the growth of the department, the fact that the crime rate is ever increasing, and the fact that more demands are being made of the police department I consider the available space completely inadequate.

On the other hand the police department has improvised and has made the best of an otherwise bad situation without diminishing the spirit, morale, or the efficiency of the department. We have adjusted to the conditions. However, again in my opinion, to ask the police department to continue under the existing circumstances for an extended period of time could certainly have an adverse effect on the efficiency of the entire police department.

1971 has shown a very definite increase in crime, particularly in drug traffic and crimes associated with drugs, namely housebreaks and larcenies. The drug scene over 1970 shows a decided increase as evidenced by the number of arrests where drugs were involved. On several occasions when persons were arrested and charged with breaking and entering a dwelling, invariably as a result of a search of the person or persons and the vehicle involved either heroin or syringe or both, and other implements associated with drugs are found. Indicating the arrested persons are supplying their habits at the expense of Millbury homeowners whose homes are left unattended during certain hours of the day. I can add that Millbury is not unique in this particular problem. The problem is prevalent in just about every city and town in the Commonwealth and nationally.

In cases where arrests are made in violation of drug laws (and on occasion as many as ten) keeping in accord with Chapter 94 Section 215 of the General Laws every person shall, at the time of arrest be photographed and fingerprinted and upon conviction, the records shall be made a part of the permanent records of the police department where the arrest took place and without delay, two copies of the fingerprints and photographs shall be forwarded with such other description as may be necessary to the State Bureau of Identification.

As a result of arrests made in some of the aforementioned cases, in order to process the arrested persons it was necessary to handcuff some individuals to fire apparatus to await their turn to be booked, fingerprinted and photographed. Again privacy is no longer available to police or persons or problems with which the police have the occasion to be confronted with.

I am submitting an article in the town warrant for Town Meeting approval for the purchase of a third vehicle. If accepted this vehicle would be of an unmarked variety or not as easily identified as our cruiser stations wagons. I firmly believe it is almost impossible to cause surveillance or investigative work with police cars that are as well marked and identified as are the two station wagons that are used for routine patrol. Because of the number of housebreaks during the past, my feelings are that an unmarked vehicle with a civilian attired officer would certainly add to the emphasis of the protection of the unattended homes during the daylight hours. And our statistics show that all of our housebreaks are committed during the hours of 8:00 A.M. and 5:00 P.M. The vehicle would also be used on the four to midnight watch for any number of surveillances and investigations consistent with police procedure.

I would like to take this opportunity to inform our townspeople and taxpayers of several schools and seminars attended by members of the police department. Three police officers have attended basic fingerprint and photography schools instructed by the Federal Bureau of Investigation. Two of the three received advanced schooling in techniques or a total of five weeks training. Three officers attended narcotic and harmful drug seminars for a total of eleven weeks. Two officers were in attendance at a seminar of the instructions of operating the breathalyzer machine, a total of two men 1 week each. All of the department members received instructions and are holders of certificates regarding the operating of our speed detecting radar machine.

Four members of the department have attended the Worcester Police Academy for a total of 26 weeks.

Nine officers are in attendance at the Quinsigamond Community College taking courses in police science and police procedure and general law. These courses entitle the attending officers to receive credits for each semester and increases in pay on a percentage basis for credits received.

I realize that the seminars and schools attended are an added expense to the department but by the same token are a very vital part of all phases of police work.

The following is a list of statistics relative to the operation of the Police Department for the year ending December 31, 1971.

Complaints Investigated	4552
Accidents Investigated	304
Cruiser Ambulance Service to hospitals	329
Motor Vehicles Reported stolen in Millbury	28
Motor Vehicles Recovered in Millbury	36
Arrests (Warrant)	29

Arrests:

Drunkeness	73
Rape	1
Disturbing the Peace	29
Larceny	6

Contributing to the delinquency of a minor	1
Possession of burglarious instruments	2
Juveniles	9
Using a Motor Vehicle without authority	15
Operating under the influence of alcohol	19
Minor transporting alcohol	5
Motor Vehicle Violations	68
Arson	3

Malicious Mischief	1
Bomb Threat	1
MOTOR VEHICLE VIOLATIONS PROSECUTED AT THE CENTRAL DISTRICT COURT IN WORCESTER, NOT INCLUDING ARRESTS MADE AT THE SCENE OF THE VIOLATION.	
Traffic Citations Issued	651
Warnings Issued	24
Traffic Arrests	68
DRUG ARRESTS	
Marijuana	36
Heroin	22
LSD	6
Harmful Drug	4
Operating under the influence of drugs	1
Possession of needles and syringes	19
Hashish	1

I wish to take this opportunity to express my sincere thanks to all other departments for the continued cooperation during the year 1971.

Respectfully submitted,

HOWARD R. WHITE

Chief of Police

## Report of Emergency Dispatcher

To the Honorable Board of Selectmen, I submit my annual report. The calls received by the Emergency Dispatcher during the year of 1971 are listed as follows:

In-coming telephone calls	1,386
Out-going telephone calls	242
Calls sent over radio to cruisers	988
Calls answered over radio from cruisers	308
Fire alarm boxes rung	16
Calls to Highway Department	27
During the hours from midnight to 8 A.M., I answered 1,544 calls.	
Total number of calls recorded	2,967

Respectfully submitted,

PHYLLIS I. CARNEY

Emergency Dispatcher

## **Report of Safety Officer**

To the Honorable Board of Selectmen and Citizens of Millbury:

I hereby submit my annual report for the year ending December 1971. I had safety instructions throughout our school system. All programs were presented with the approval of the Chief of Police and Supt. of Schools with the cooperation of Principals and Teachers of respective schools.

I attended 18 Safety Officers Meetings during the year, also "Police Safety Officers Training Institute" (6 wks. course) sponsored by Central Mass. Chapter National Safety Council. Course content:

1. The present day role of Police Safety Officer in the community.
2. The Public Safety Education Program:  
Traffic Laws  
Accident Investigations  
Correcting Accident Locations  
Advisory Capacity  
Drug Education
3. The School Safety Education Program:  
Bus Safety  
Bicycle Safety  
School Patrols  
Crossing Guards  
Implementation
4. Public Relations (Press, Radio, T.V.)  
Public Speaking & Program Planning

We had a Bicycle Safety Inspection program which was greatly improved from any previous ones. The V.F.W. Women's Auxiliary donated "Lite-a-Bike" kits, which consisted of red and white reflective strips approved and recommended by National Safety Council. These reflective strips were applied to all bicycles upon inspections.

The AAA Bancroft Auto Club of Worcester furnished the inspection material and safety pamphlets.

The Millbury Aux. Police Unit (under leadership of assistant C.D. Director Ralph Orcut and Capt. Luigi Tella) devoted their time and effort in making this program a success. They were assisted by the V.F.W. Women's Aux. who did the clerical work.

We had bicycle inspections at Elmwood Street School, High School, and Dorothy Pond School, and inspected a

total of 193 bicycles.

#### **MARKING OF ROADS AND CROSSWALKS:**

It was cut down again this year due to Sewerage, Gas, and Telephone excavations. We did only what was absolutely necessary such as School Zones and dangerous intersections.

#### **WINTER NO PARKING:**

Was very effective again this year. It saved the Town considerable amount of money plus man hours in clearing the snow without interference and cut down accidents.

#### **TRAIL & MINI BIKES:**

We have over 150 Trail and Mini Bikes in Millbury and are very fortunate not to have had any serious accidents. We need a safety program and supervision of our new pleasure machines. Because: Like it or not they are here to stay. They are very dangerous when operated by inexperienced and innocent children who do not realize the dangers involved.

Every parent who procures a Trail or Mini Bike for their child should make sure the child has proper instructions and is able to control the bike. Also understand and obey the laws because of the liabilities involved.

#### **SCHOOL SAFETY PATROL:**

Sister Bernadette of Assumption School requested help to establish a School Safety Patrol unit. We had two assemblies for instructions and a training film. As a result of her hard work we formed a group of 26 boys and girls who are doing a remarkable job of Safety in guiding the children to and from School and on the School Bus.

#### **SCHOOL CROSSING GUARDS:**

This year we established another station at the intersection of Riverlin and Grafton Streets. Due to increased traffic and children having to cross the intersection and over the Blackstone River bridge to attend Providence Street School. We now have 12 Crossing Guards throughout the Town of Millbury who are doing an excellent job of keeping our school children safe at busy and dangerous intersections.

I wish to thank everyone who supported Safety Programs, cooperated in proper administering of instructions and guidance to our children.

#### **LET'S MAKE MILLBURY THE SAFEST TOWN IN WORCESTER COUNTY.**

Respectfully submitted,  
JOSEPH A. LAUZON

Safety Officer

# Report of the Engineers of the Fire Department

To the Honorable Board of Selectmen:

The Engineers appointed by your Board met and organized as follows:

Kenneth L. Army, *Chief*

Alfred E. Caplette, *First Assistant*

Raymond H. Cross, *Second Assistant*

Donald G. Gover, *Third Assistant*

Francis R. Beaudoin, *Fourth Assistant*

During the year No. 1 Company answered 218 alarms, of which 99 were bell alarms, 80 were false alarms, 31 still alarms, 7 were Bomb scare and 1 near drowning. No. 2 answered 173 alarms, of which 92 were bell alarms, 68 were false alarms, 13 still alarms. No. 3 Company answered 115 alarms, 110 of these were bell alarms, 47 were false, 5 were still alarms. No. 4 Company (Ladder) answered 122 alarms, of which 60 were bell alarms, 53 were false, 1 still alarm, 7 were bomb scare and 1 near drowning. No. 5 Company answered 170 alarms, of which 91 were bell alarms, 58 were false alarms, 1 still alarm.

Our fire loss is as follows:

Value of Buildings	\$370,000.00
Loss on Buildings	\$370,000.00
Insurance on Buildings	\$348,000.00
Insurance paid on building	\$348,000.00
Value of Contents	\$140,350.00
Loss on Contents	\$99,350.00
Insurance on Contents	\$126,000.00
Insurance paid on Contents	\$85,000.00

## Report of Forest Fire Warden

To the Honorable Board of Selectmen:

I hereby submit my report for the year ending December 31, 1971.

The newly enacted burning ban which went into effect this year showed a definite effect on this department in that we had a record low number of 72 fires. Because of this, our expenses were kept to a minimum, showing a return of \$869.10.

Our expenses were as follows:

Wages of firemen	\$1,031.25
Salary of Warden	450.00
Dues to Worc. Fire Assoc.	40.00
Repairs to truck	132.74
400 ft. hose	260.00
Couplings	1.20
Payroll forms	12.00
Batteries and flashers	3.71
<hr/>	
Total Expenses	\$1,930.90
Appropriation	\$2,800.00
<hr/>	
Balance	\$869.10

Respectfully submitted,

FREDERICK A. LECLAIRE

Forest Fire Warden

## Report of the Sealer of Weights and Measures

To the Honorable Board of Selectmen:

This Department has checked and sealed 171 various types of weighing and measuring devices. Trial weighings were made on prepackaged goods in all stores to assure honest weight.

Respectfully submitted,

F. JOSEPH BRADY

# Report of Millbury Public Library

To the Honorable Board of Selectmen:

We herewith submit our annual report for the year 1971.  
The report of the Librarian is included.

To the Trustees: As Librarian of the Millbury Public Library I submit the following report.

The Library has been opened 282 days during the year.

The number of books purchased during the year totaled 822.

The classification of the circulation is as follows:

Fiction	9,546
Juvenile	7,083
Non-Fiction	4,958
Magazines	515

The total circulation for the year was 22,052.

Eighty films were borrowed from the Regional Library for use in the kindergarten and schools.

Three new sets of encyclopedias the World Book, Book of Knowledge and Dictionary of American Biography were added to our reference section.

Two classes from the Providence Street School with their teachers Mrs. Kinnicry and Miss Insani and a group of Camp Fire Girls with their leader Mrs. Sauer visited the Library to help the children become acquainted with it.

We wish to thank the faculty of the North Quincy High School for the book on art given in memory of Edward Charron. His son Robert is the art teacher in Quincy. The Rufus Putnam Chapter Daughters of the American Revolution for a new American Flag. To the following who donated books: Griffin children in memory of their Grandfather Henry Griffin, Lawrence Stockwell, Mrs. Norman Orell, Mrs. Adelard Lavallee, Mrs. George Gosselin, Mr. and Mrs. James Shore and the Singletary Rod and Gun Club.

Respectfully submitted,

MAMIE BAILEY

Trustees  
DENNIS L. KELLIHER  
ELMER P. BALLARD  
RICHARD N. KENARY

# **Report of Gypsy Moth & Elm Leaf Beetle Superintendent**

To the Citizens of Millbury and Honorable Board of Selectmen:

Pruning and limbing of trees are done only when absolutely necessary because of the cost of this type of work. Roadside trees cut down and disposed of were: 10 Ash, 16 Maple, 3 Cherry, 2 Beach, 2 Shag Bark Hickory, and 19 Oak, these trees were diseased, dead or in many cases dangerous. One hundred and twenty-six Elm trees were cut down and removed for disposal, many of these were of the larger variety, one a land mark of over a hundred years had to be taken down at the Town Library. In July forty-two Elms were sampled, tested and tagged for Dutch Elm disease, many of these have already been removed. We also had two bad wind storms, after one a hurricane, the Road Superintendent sent out his crews to help us pick up trees and limbs. We also had two storms of heavy wet snow that caused a lot of damage.

Brush cutting along many of the town roads was done by the summer help of the road department. The tree department chipped all this brush in place. Brush chipping in the dump created many problems, but, until we can come up with something better this will continue.

Forty-five Maple trees and six European White Birch were planted along town roads, it is my hope that I will be able to increase these figures. This year we hope to have a program for Arbor Week, the biggest fighter of pollution are young trees each tree we plant now may produce oxygen for your youngster tomorrow.

Poison Ivy was controlled along most town roads by spray.

Oak Skeletonizer peak in 1970 and caused very little trouble in 1971. The only outstanding pest we had this year was Fall Web Worm, as reported before this pest is unsightly and annoying, but, seldom kill trees. The only practical way to control these pests are by spraying before the web is formed. With so many people against spraying now, no one wants to spray unless they have no other

choice. A pest that should be mentioned the Japanese Beetle caused a lot of damage in small localities to rose bushes and shrubs, but did no damage to the larger trees.

Respectfully submitted,

JOSEPH O. CAPISTRON

## Report of Board of Health

To the Honorable Board of Selectmen and the Citizens of Millbury.

The Board of Health respectfully submit the following report for the year 1971.

The Board investigated 192 complaints, 63 inspections of new installations and repairs of disposal waste systems, 57 percolation tests, routine inspections of 41 Food Establishments, 2 Nursing Homes, 1 Rest Home and 1 Overnight cabins. Members attended 9 Conferences and Seminars.

### Licenses and Permits issued:

Funeral Directors	3
Burial Permits	29
Pasteurization of Milk	2
Vehicle Licenses—Milk and Cream	18
Store Licenses—Milk and Cream	25
Food Service Establishments	52
Overnight cabins	1
Cleaning Waste Disposal Systems	6
Installers Permits	22
New Disposal Systems and repairs	65
Plumbing	209
Trucker's Rubbish Disposal	8

\$2,620.00 in fees were collected and paid to the Town Treasurer.

At Clinics held during the year children were immunized against small-pox, diphtheria, whooping-cough, tetanus, mumps, measles, german measles and poliomyelitis.

We thank the Charles F. Minney Post V.F.W. for granting us the use of their hall for the Clinics.

Contageous diseases reported:	
Chicken-pox	18
Dog bites	136
Other animal bites	14
German Measles	2
Measles	22
Infectious Hepatitis	1
Mumps	2
Streptococcal Sore Throat	1
Scarlet fever	6
Salmonellosis	3
Gonorrhea	1
Syphillis	1

No. of Meetings held: Monthly Meetings 12 — 4 Special Hearings.

Present:

Frederick P. Ellis	2
William H. Caron	16
Walter A. Weldon	16
Frank J. Piscitelli	14

Respectfully submitted,

WILLIAM H. CARON, *Chairman*  
WALTER A. WELDON, *Agent*  
FRANK J. PISCITELLI

## Report of Dog Officer

To the Honorable Board of Selectmen:

The activities of this Department for the year 1971 are as follows:

Stray dogs picked up	66
Complaints investigated	98
Lost dogs returned to owner	52

Dogs must be licensed April 1st of each year. Please report lost dogs to the Dog Officer to assist us in returning them to their owners. All dogs must be restricted until after 9 a.m. on school days. Complying with this law will help to protect your children.

Respectfully submitted,

FRANCES M. COLBY

Dog Officer

# **Highway Surveyor's Report**

To the Honorable Board of Selectmen and the Townspeople of Millbury it gives me great pleasure to submit my Annual Town Report.

## **GENERAL HIGHWAY**

The usual work has been performed under the General Highway and Permanent Road Accounts. This includes the cleaning and sweeping of streets, also cleaning out catch-basins and gutters, general maintenance and patching as deemed necessary.

## **SNOW & ICE ACCOUNT**

We were kept busy during the past winter season with a number of snow and ice storms and tried to give all sections prompt service. Particular attention was given to sections in which school bus routes are serviced. After each major storm the area of Millbury Center, the churches, Funeral Homes and School parking areas were cleared of snow in a prompt and efficient manner. Particular praise should be given to our Highway employees and Contractors for the type of service performed.

## **CHAPTER 90 MAINTENANCE**

We re-surfaced Millbury Avenue from the Toll Road Bridge to Dorothy Manor School for a distance of 6000 ft. with a Type I Bituminous Concrete mix, which should be maintenance free for several years to come.

## **CHAPTER 90 CONSTRUCTION**

We have partially completed reconstruction of Grafton Street for a distance of 2500 feet, where we have excavated, installed drainage, filled and shaped this street to a point come spring where we will put down a temporary oil surface due to the fact that the water district will be in the process of installing new water mains, Grafton Street to Braney Road.

## **OILING STREET ACCOUNT**

We oiled and honed 25 Streets in the following sections of town, Laurel Heights Prospect Hill section and Greenwood section most of these streets received two coats of oil and sand.

In closing I would like to thank the personnel in the Highway Department, and all other Town Departments for their cooperation that they have given me in the past year.

Respectfully submitted,

DONALD J. ARMY

Highway Surveyor

### HIGHWAY DEPARTMENT INVENTORY 1971

#### *General Highway Equipment*

1	Hough Loader with Back Hoe Sweeper Grader	50 Feet Waterhose
1	Austin Western 99L Grader	2 Sledge Hammers
1	Austin Western 99M Grader	1 Clectrac Tractor and Plow (Obsol.)

52	Road Horses	4 Picks
2	Bulldozer Blades	6 Push Brooms
3	Catch Basin Scoops	3 Steel Brooms
1	Clectrac Tractor & Plow	4 Rakes
1	400 Mack Dump	2 Axes
		2 Hoes

## Report of Sewerage Commission

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury.

We respectfully submit our annual report for the year ending 1971.

All sewerage mains and laterals in the streets are 100% completed. Connections from the mains and laterals to the property lines are 95% completed. As of December 31, 1971, 257 house connections have been made.

On July 1, 1971 the sewerage plant was accepted from the contractor with formal dedication ceremonies.

By the time the Town Report is published a fee for construction cost and users cost will be established and billing will be started to the benefitters.

The fees that will be established by the Commissioners will amount to approximately \$85,000.00 of income this year and similar income per year over the life of the bond issue. The Sewerage Commission recommends to the people of Millbury that annually once this money is accumulated, it be returned to the Sewerage Department for the purpose of extending the present system. This type of program would eliminate the necessity for the town to obtain future bond issues and eliminate future high interest payments, which in turn reduces the tax burden on the people of Millbury.

On September 21, 1971 John Bradford Lange was appointed to Assistant Sewerage Plant Operator.

Due to the death of Earl N. Lange on August 16, 1971, George E. Buron was appointed a member of the Sewerage Commission on October 26, 1971 to fill the vacancy.

GEORGE E. BURON, *Member*

## Town Clerk's Report

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury:

I respectfully submit my eleventh annual report as Town Clerk.

There is no doubt that 1971 will go down in history as a most memorable one and certainly one of the most difficult in the field of record administration.

On January 28, 1971, our Town Hall which provided the space to house and store the greatest percentage of our municipal records was destroyed by fire. Fortunately, through constant persistence in striving to maintain the highest degree of record security by means of microfilming, proper indexing and storage facilities, we were able to salvage and reconstruct our records so that two days after the fire we were able to provide copies and duplicates of the records in our custody. As a matter of fact, we were able to issue a marriage record the following morning.

Although, the fire did create many hardships, it has brought to light the necessity for our continued efforts to maintain and to provide the highest degree of record security and preservation. It does disturb me greatly, however, to have to report to you at this time that we have very little security from fire and other dangers in our present circumstances and in some cases none at all. The reason being the lack of adequate space to provide even a minimum of fire protection except for our vital records prior to 1850 which I have microfilmed in their entirety.

I am extremely grateful to my office staff for their assistance in this time of disaster and for the long hours they so freely gave after their normal work week. A special thank you goes out to my wife, Jean, Fred Aspinwall, Tom Hamilton, Bill Berthiaume, Harry Marderosian, Richard Gauthier, Donald Gauthier, The Millbury Co-operative Bank, the Boy Scouts from Troop 109, Members of the Millbury Fire Department, The Millbury Civil Defense and to everyone who gave of their time and assistance. For without them, the monumental task of moving from the ruins of the Town Hall would not have been accomplished as quickly as it was.

Now that we are settled and re-established again, we

renew and reaffirm our pledge to surpass our goals of the past.

Once again, it has been my privilege and pleasure to have served our community as Town Clerk.

I am extremely grateful to all of the elected and appointed officials in the Town of Millbury for their cooperation throughout the year.

Respectfully submitted,

ORAN DAVID MATSON

Town Clerk

The following is a comparison of Vital Statistics for the year ending 1971:

YEAR	BIRTHS	MARRIAGES	DEATHS
1962	193	111	125
1963	217	118	114
1964	193	116	127
1965	215	126	115
1966	192	136	120
1967	182	145	119
1968	194	145	137
1969	189	153	139
1970	160	149	103
1971	*161	*165	*101

\* Complete figures not available.

#### LIST OF JURORS, 1971-1972

Allard, James R., Truck Driver-Buyer	20 Lake St.
Anderson, Donna A., Housewife	5 Cherry St.
Arnett, William L., Press Hand Class I	192 Wheelock Ave.
Aubin, Theresa O., Housewife	60A Maple St.
Auclair, Lionel J., Laborer	10 Linda Ave.
Auger, Robert R., Accountant	4 Jackson Lane
Beaudry, Leo J., Electrician	55 Dorothy Rd.
Bedord, Charlotte A., Licensed Practical Nurse	12 Prospect St.
Beesaw, Alfred L., Mechanic	47 Epping St.
Begonis, William J., Tractor Man	4 MacArthur Drive
Belanger, Germaine	15 Curve St.
Belinskas, Albin A., Machine Operator	1457 Grafton Rd.
Bergeron, Miriam T., Hairdresser	4 Birchwood Drive
Bergstrom, Richard H., Warehouseman	20 Dorothy Rd.
Bernard, Thomas L., Assistant Manager	81 South Main St.
Bertrand, Mary R.	23 Millbury Ave.
Bianculli, Joseph R., Installer	10 Maplewood Rd.
Blondin, Roland A., Foreman	259 Riverlin St.
Boucher, George A., Retired	20 Providence St.

Bourdeau, Sylvio E., Auditor	10 Leslie Lane
Boutilier, Lawrence, Furnace Operator	5 Cristo Lane
Bouvier, Dewey A., Heat Treater	1 May St.
Brunell, Darius H., Maintenance Mechanic	91 South Main St.
Buron, George, Project Engineer	11 Hayward Lane
Cadorette, Robert M., Lubricator	1542 Grafton Rd.
Carlson, Edward A., Credit Manager	63 South Main St.
Caruso, Peter M., Leather Worker	18 Knollwood Cir.
Choiniere, Edgar J., Foreman	5 Mayfair Lane
Couture, Joseph K., Cable Crew Helper	42 Sullivan Place
Couture, Roland O., Appliance Service Man	37 Riverlin St.
Cowell, Robert F., Appliance Service Man	22 Sullivan Place
Dattis, Leonard, Sr., Trim Die Maker	217 Millbury Ave.
Demers, John R., Sr., Laborer	2 Jackson Lane
Denoncourt, Benjamin A., Finish Inspector	5 Hayward Lane
Despard, Arthur H., Retired	3 Pearl St.
Dorr, Richard C., Telephone Cable Splicer	7 Sullivan Place
Donnelly, John S., Jr., General Construction Insp.	26 Grafton St.
Dranginis, Mary E., Housewife	29 Riverlin St.
Forsberg, Paul A., General Shipping Foreman	4 Howe Lane
Gagne, Florence D., PBX Operator	83 Grafton St.
Gegner, Charles H., Administrative Asst.	6 Jackson Lane
Gibree, Leo E., Retired	13 Ackerman Rd.
Gleason, Mary J., Housewife	66 South Main St.
Graham, William A., Heater	5 Shirley Ave.
Gravel, Robert U., Screw Machine Operator	21 Maplewood Rd.
Graveline, Eugene J., Fireman	19 Cedar Ave.
Graves, Albert L., Foreman	15 John St.
Graves, James C., Mechanic	4 Ellenwood Rd.
Graves, John T., Furnace Operator	5 Henry St.
Graves, William H., Janitor	8 Middleton St.
Gurney, Charles N., Jr., Letter-Carrier	8 Cherry St.
Harris, Frank I.	20 Elm Court
Hayes, Daniel F., Jr., Shipping Clerk	8 Jackson Lane
Healy, Raymond J., Wire Drawer	23 Sullivan Place
Hicks, Nancy F., Housewife	4 Jackie Drive
Higginbottom, Kenneth, Furnace Operator	21 Braney Rd.
Hokanson, Robert S., Electronic Tech.	1459 Grafton Rd.
Holland, Frederick M., Splicing Foreman	15 Grafton St.
Howard, Harold E., Electrical Appliance Rep.	12 Cedar Ave.
Howard, Stephen J., Die Maker	14 Brightside St.
Jensen, William, PBX Installer-Repairman	17 Millbury Ave.
Kasevich, Jacob M., Blanchard Grinder	4 Dorothy Landing
Kotasek, Leo L., Shipping Foreman	10 Howe Lane
Landry, Kenneth F., Mechanic	50 Railroad Ave.
Lebel, Eudor C., Wire Worker	23 Linda Ave.
Lebel, Lawrence A., Oiler Maintenance	3 Lakewood Ave.
LeBlond, J. Alfred, Bus Operator	1480 Grafton Rd.
Lemmon, John H., Hydraulic Application Eng.	11 Forrest Dr.
Ludvigson, Ralph E., Machinist	4 Sycamore Cir.
Lukas, Joseph J., Kiln Worker	Broadmeadow Ave.
Mancini, John F., Checker-Draftsman	13 Ellenwood Rd.
Markey, Thomas J., Jr., Press Operator	8 Hilltop Drive
Masse, Louis C., Card Stripper	25 Epping St.
McCarthy, Hugh E., Jr., Repairman	38 Providence St.
McDermott, Carole R., Head Teller	47 Carousel Dr.
McKenney, John F., Dairy Dept. Head	14 Lake St.
Mead, Donald G., Maintenance Man	117 Millbury Ave.
Meehan, Kenneth J., Plant Engineer	Birch St.

Miller, Arthur H., Retired	3 Knollwood Cir.
Modig, Herbert B., Press Operator	7 Marion Ave.
Morin, Joffre, Long Distance Truck Driver	31 MacArthur Dr.
Morris, Alexander W., Journeyman Electrician	11 Knollwood Cir.
Morris, Richard R., Machine Operator	45 Epping St.
Nadolink, Louis, Wire Inspector	47 Maple St.
Najemy, Nicholas E., President	76 4 Knollwood Cir.
Nault, Paul E., Chief Estimator	MacArthur Drive
Nelson, Russell E., Lathe Operator	22 Forrest Drive
Ojerholm, Wilbur J., Clerk, Shipping Dept.	20 Howe Lane
O'Loughlin, Norman T., Production Foreman	12 Sullivan Place
O'Packi, Julianne, Housewife	37 Sullivan Place
Poulin, Arthur, Machinist	1 Shirley Ave.
Putrus, George J., Bundler, Packer, Loader	33 Dorothy Rd.
Raymond, Celestin P., Retired	School St.
Scally, George E., Journeyman Plumber	4 Mildred Ave.
Silver, Robert A., Design Draftsman	33 Carousel Drive
Smith, Edward L., Chief Custodian	20 Grove St.
Snow, Margaret L., Housewife	43 Riverlin St.
Squires, Victor P., Grinder, Bandsaw Oper.	34 Manor Rd.
Stencil, Chester S., 1st Class Die Sinker	15 Shirley Ave.
St. George, Irene, Sausage Filler	20 Curve St.
Sundin, John E., Rec. & Shipping Clerk	52 MacArthur Dr.
Supernor, Wilbur D., Retired	18 Dorothy Rd.
Tebo, Leodore J., Jr., Foreman, Maintenance Dept.	4 Canal St.
Thomas, Leroy M., Sr., Jig & Fixture Foreman	4 John St.
Thomas, Richard A., Production Mach. Operator	22 Knollwood Cir.
Thurber, Herbert E., Sr., Security Officer	6 Raymond St.
Tift, Beatrice M.	5 Fontaine St.
Torpey, James P. II, Supervisor	9 J.F.K. Mem. Dr.
Tower, Arthur R., Sonic Inspector	17 Capt. Peter Simp. Rd.
Tribandis, Joseph F., Inspector	16 Marion Ave.
Turner, Kenneth I., Cast Operator	13 Marion Ave.
Walkowiak, Oswald V., Hospital Worker	32 Manor Rd.
Wise, Edward A., Retired	38 Millbury Ave.
Young, Robert D., Letter Carrier	Rice Rd.

### LIST OF JURORS DRAWN — 1970-1971

# **Report of the Registrars of Voters**

To the Honorable Board of Selectmen and the Citizens of Millbury:

During the year 1971, there was only one election; namely the municipal election held in March. The polling place in Precinct 1 was changed from the Town Hall to the basement of the Baptist Church. This location seemed to fit the need very well and we are extremely grateful to the Board of Governors and to the parishioners of the Baptist Church for the use of this space.

There were three town meetings: the annual town meeting and two special town meetings.

As we enter the 1972 Presidential Year, we note a marked increase in registrations especially among the young people. The Registrars of Millbury were the first in the Commonwealth to go into the schools and to hold special sessions during the holiday seasons to accomodate the college students home on vacation and to register the 18 and 19 year olds.

This year will be a very busy one with two town meetings and four elections:

March 11, 1972	Annual Town Election
April 25, 1972	Presidential Primary
September 19, 1972	State Primary
November 7, 1972	State and Federal Election

During the past year, the Registrars held two special meetings, seven evening sessions and one Saturday session. The following attendance record is herewith attached.

REGISTRARS	PERCENTAGE OF MEETINGS ATTENDED			
	SPECIAL MEETINGS	EVENING SESSIONS	SATURDAY SESSIONS	MEETINGS ATTENDED
William H. Cournoyer	2	5	1	100%
James Stewart	2	5	1	100%
Joseph A. Stead	2	5	1	100%
Oran David Matson	2	5	1	100%

The breakdown of registered voters by precinct as of December 31, 1971, is as follows:

PRECINCT	DEMOCRATS	REPUBLICAN	UNENROLLED	TOTAL
1.	860	150	776	1,786
2.	453	212	658	1,323
3.	487	189	542	1,218
4.	495	94	357	946
5.	408	99	325	832
	—	—	—	—
	2,703	744	2,658	6,105

The following are the results of the votes cast in the Annual Town Election, March 13, 1971.

\* Elected

3,768 votes cast including absentee ballots.

The Board of Registrars take this opportunity to remind the residents of Millbury who are not registered to vote, may do so any day in the office of the Town Clerk or at any one of the special evening sessions that are scheduled throughout the year.

Respectfully submitted,

WILLIAM H. COURNOYER  
JAMES STEWART  
JOSEPH A. STEAD  
ORAN DAVID MATSON

## Planning Board

To the Honorable Board of Selectmen:

The Millbury Planning Board herewith submits its annual report for the year ending December 31, 1971.

There were twenty-two regular meetings held from January 1, 1971 to December 31, 1971. Attendance record was as follows:

	Present	Absent
Joseph R. Bianculli	22	0
Gerard Trottier	22	0
Frank J. Piscitelli	17	5
Joseph Lukaszek	16	6
Roland M. Lachance	14	8

One of the most noteable accomplishments of the past year was the unanimous approval given to the revised Zoning By-Laws at the last annual Town Meeting. It was a gratifying conclusion to a program that was aimed at giving Millbury a thoroughly reexamined and completely modern by-law.

Upgrading of regulations has been continued with a proposed revision of the building code to be submitted at the 1972 Town Meeting. A committee established by Town Meeting action has been meeting with the Planning Board.

This committee, under the guidance of the Planning Board's planning consultant, Philip Herr, will attempt to give Millbury a building code system that will meet all phases of construction. The proposed code will also satisfy all federal requirements on building codes as prerequisite to renewal or housing aid. For your reference, copies of the proposed code have been placed in the Town Library and with the following town officials: The Board of Selectmen, Finance Committee, Town Clerk, Building Inspector, Building Code Studies Committee, and the Planning Board.

Under the Federal Emergency Employment Act of 1971, the Planning Board has acquired a Planning Aide to assist them in their duties and research. Mr. Roy C. Gunter was selected for the position and has proven himself quite capable in the performance of his duties.

Subjects under consideration by the Planning Board for the new year are:

1. A Mapping Program
2. Growth Analysis
3. Re-examination of Development Controls
4. Master Plan Republication

We expect time and budget limits will spread completion of these studies over a two-year period.

Public hearings were held concerning sub-divisions of land, (2 residential, 1 industrial), sub-division regulations (sewerage systems), and zoning map changes. All were given approval by the Planning Board.

A problem that still causes a hardship on the Planning Board is the lack of a Town Engineer. Perhaps in the coming year this situation will be resolved.

The Planning Board meetings are held on the 2nd and 4th Mondays of each month at 7:00 p.m. in the Selectmen's Office of the Millbury Town Offices.

The Planning Board would like to express their thanks to all of the town officials and citizens for their co-operation throughout the year.

Respectfully submitted,

JOSEPH R. BIANCULLI, *Chairman*  
FRANK J. PISCITELLI,  
*Vice-Chairman*  
GERARD TROTTIER  
JOSEPH LUKASZEK  
ROLAND LACHANCE

# Report of Building Inspector

To the Honorable Board of Selectmen:

I hereby submit my annual Report for the year ending December 1971.

It seems as though, despite the economic situation, industry, businessmen, developers, and the citizens of Millbury, have faith in the Town.

In 1971, I have issued a total of 124 Building Permits, 32 more than last year. Of these, 54 were for 80 new dwelling units, and 6 for demolition of old dilapidated housing, which amounted to 10 dwelling units.

A program against Burnt out and Abandoned Buildings has been started. It has a complicated legal procedure to follow, but if owners of these properties would cooperate, this would be eliminated. If they do not, the Town would do the work, such as wrecking, removing rubble, grading cellar holes, etc., and a lien would be put against these properties. We are hoping that this will not have to be done.

At our Annual Town meeting, we amended our Building Code, by adding Section 18 Swimming Pools. I am hoping that everyone is aware of this new regulation. It deals with Fencing, Removable Ladders, Proper Wiring for filtering systems, etc. This regulation will be strictly enforced this year.

Total Permit Fees collected in 1971 amounted to \$1,359.

Building Permits issued in 1971 are as follows:

Permits	Classification of Structures	Est. Cost
47	Single Family Dwelling	\$1,059,000
5	Duplexes	84,000
1	Apartment Complex—33 Units, 3 Buildings	270,000
9	Swimming Pools	26,250
16	Garage Additions to Dwelling Units	32,500
32	Additions and Alterations to Dwelling Units	132,775
1	Municipal Building Alteration	15,000
1	Barn	5,000
1	Temporary Trailer	1,000
8	Demolition Permits	0
3	Commercial & Industrial Add. & Alterations	51,184
124	Total Permits	Total Estimated Cost \$1,676,709

Also there has been quite a bit of face lifting in and around the center of town.

Again I thank all who have been so cooperative throughout the year.

Applications for Building Permits may be obtained at the Selectmen's Room, from 10 A.M. to 4 P.M. Monday thru Friday, also by dialing 755-5432 anytime after 6 P.M.

Respectfully submitted,

FRANK J. PISCITELLI

Building Inspector

## Report of Gas Inspector

To the Honorable Board of Selectmen and the Citizens of Millbury.

I hereby submit my annual report as Gas Inspector for the year ending December 31, 1971.

During the past year this department has done 157 gas inspections. Nine of these were trailers and campers.

All permit fees have been turned over to the Town of Millbury.

Gas permits can be obtained at 9 Millbury Terrace or phone 757-8410 anytime after 5 P.M.

Respectfully submitted,

ALBERT H. WEST

Gas Inspector

# **Report of Millbury Housing Authority**

The Millbury Housing Authority herewith presents the annual report for the year ending December 31, 1971.

On February 23, 1971, the Millbury Housing Authority held a public hearing at 2 Pearl Street at 8:00 P.M. to seek out and consider public opinion to take by eminent domain for the construction of a housing project for the elderly, Project 667-2, a certain parcel of land situated on the southerly side of South Main Street in Millbury, Massachusetts owned by Shirley V. Tebo. Said parcel is shown on a definitive plan and profile on file in the office of the Town Clerk of Millbury. Plans and prints drawn up by Reinhardt Associates of Springfield, Massachusetts were approved and accepted by the Millbury Housing Authority and sent to the Department of Community Affairs in Boston for State approval. Dates for accepting Sup-bids and General bids were advertised. Sub-bids were opened September 2nd, 1971 and General Bids were opened September 9, 1971. Unfortunately, Boston did not approve the bids and so a motion was made by the Millbury Housing Authority to reject all bids as not being in the public interest. Notice of accepting bids has again been sent out and are to be received and opened the first part of January, 1972.

Notice of accepting bids has also been advertised for the replacement of the hot air furnaces in project 200-1 and for tieing in the sewerage for projects 200-1 and 667-1.

Due to the burning of the Town Hall, the authority offered its facilities to the town. Civil Defense and The Golden Age are still using these facilities for their meetings.

In February, the board of directors accepted the resignation of E .Bernard Plante as its accountant and assistant director. On April 1, after considering all applications received, the board of directors voted to appoint David Cofske to the position of Accountant and Assistant Director.

In March, the board of directors accepted the resignation of Robert Weidman as head maintenance man. In April, Mr. Leo Rogers was appointed head of maintenance. Mr. Rogers was the assistant maintenance man. After reviewing all applications received, Mr. William Stafinski was appointed to the assistant maintenance job.

## 200-1 VETERAN'S PROJECT

This project remains fully occupied at the end of its 21st year. During the course of the year, the following replacements were made: 5 New Boilers were replaced, 1 steel Bulkhead was installed, 3 stoves were replaced and approximately 85 per cent of the down spouts have been replaced thus far. All other repairs were routine maintenance.

## 667-1 PROJECT

This project has completed its 11th full year fully occupied. In March, the St. Brigid's Women's Club invited the women of the Linden Apartments to attend a Pot Luck Supper and Silent Auction. Thanks to the generosity of Oran Matson, transportation was provided and a good time was had by all. On December 6, the Millbury Women's Club on Miles Street invited the senior citizens to be their guests at a Christmas party. They had a most enjoyable evening. The Club presented them with card tables for the recreation room. The tenants of the Linden Apartments had a Gift Giving Christmas Party. The gifts were given to the less fortunate of our town. A new American Flag was donated by Senator Edward Kennedy for the elderly project. Mr. and Mrs. Harold Nash, Sr. donated a Crucifix to be used for the masses held monthly in the recreation room. It was donated in memorium of 30 residents and 3 past directors. The past directors were, Mr. Winfield Scott, Mr. Raymond Whittaker and Mr. Frank Kawolis. A special thank you to Mr. Dennis Kelliher, Mrs. Claude Sweeney, Miss Mamie Bailey and Mrs. Linda Taft who have donated books for the recreation room. I am happy to report that a new cross light has been installed on Providence Street, making it safer for our senior citizens.

One refrigerator was replaced, a hot water unit in building #4 was replaced and a circulator motor in building #4 was also replaced.

## MAINTENANCE

Mr. Leo Rogers, head of maintenance and Mr. William Stafinski are in charge of all necessary maintenance problems for both the Veteran's and Elderly Projects.

## Report of Parks Commission

To the citizens of the Town of Millbury and the Honorable Board of Selectmen, we respectfully submit our Annual Town Report for the year ending December 31, 1971.

The year 1971 in the Town of Millbury afforded a unique opportunity to couple education, employment and recreation programs in imaginative ways. The Neighborhood Youth Corps, a federally funded program designed to provide employment for disadvantaged youth, was used for the first time in Millbury. The "NYCers" were assigned to the parks and recreation areas as aides and assistants. They assisted the Park's personnel in such tasks as renovating and improving park and recreation areas and assisting in the teaching and directing of the Summer Playground Program. This program not only afforded these youths with the opportunity of employment, but also the opportunity to learn while teaching and working in the recreation areas of the Town of Millbury.

The constant renovation and improvement of the Millbury recreation areas and park facilities have continued in order to meet the needs of our community. The major changes during this past year have been the land clearing, grading, installation of drainage and the construction of a parking area at the Washington Street Playground; the construction of a parking area, pond and skating area, basketball court, and roadway at the West Millbury Community Park; and the completed beautification of the Millbury Town Common. The Bedrosian barn on Providence Road has been given to the Parks Commission to be used as a storage and work area. We have also taken a serious look

at the skating facilities in the Town and have decided to take several steps to improve these areas by the installation of lighting, removal of snow and the resurfacing of rough ice. It is our intent that these and future improvements will provide for the expanding recreational needs of our town.

Instruction in arts and crafts and supervision in games and athletics was provided at Windle Field and Bergstrom Park. We would like to take this opportunity to thank our program co-ordinator, Mrs. John Powers, for her excellent instruction and direction in this expanding program. Mr. John O'Neal, a Fitchburg State graduate who has recently been separated from the U.S. Army, has been hired by the Parks Commission as a Recreation Director. The salary for this position has been funded by the Federal Government under the Emergency Employment Act to alleviate unemployment. We have also continued our annual trout fishing derby, the distribution and planting of evergreen seedlings, the childrens' summer theatre and the annual Halloween dance.

The Board of Parks Commissioners scheduled twenty four regular meetings and five special meetings in the past year. Members attendance records are as follows.

	Reg. Meetings	Spec. Meetings
William A. Berthiaume	24	4
Robert F. Crowell	23	3
*Wilfrid J. Dufour	14	0
William J. Prendiville	23	3
Charles J. Vassar, Jr.	21	2

\* Resigned 11 November 1971

We wish to thank all Town Departments and the people associated with our programs for the cooperation extended us in our endeavor to provide better recreational services to all citizens of the town.

Respectfully submitted,

WILLIAM A. BERTHIAUME  
*Chairman*

WILLIAM J. PRENDIVILLE,  
*Clerk*

WILFRID J. DUFOUR, resigned  
CHARLES J. VASSAR, JR.  
ROBERT F. CROWELL

# **Report of Conservation Commission**

The Millbury Conservation Commission herewith presents its Annual Report for the year ending 1971.

The Conservation Commission has been instrumental in getting Flood Plain Zoning into the Town to protect the watershed area along the Blackstone River.

Due to a new state law passed by Governor Sargent the Conservation Commission will be required to hold all Public Hearings regarding Hatch Act violations as of February 9, 1972.

The Davidson Wildlife Sanctuary is still available to all who are interested in nature. There are still tracts of land that the Conservation Commission hopes to acquire in the vicinity of Soles Swamp.

A total of eight meetings were held by the Conservation Commission for the year 1971. There were a total of five special meetings that the Conservation Commission were requested to attend. The following is an attendance record of the members of the Conservation Commission as required by the General By-Laws of the Town of Millbury.

Member	Reg. Meetings	Spec. Meetings
	Attended	Attended
Donald J. Montigny	8	5
Sandra J. Hjort	8	5
Wesley M. Howe	5	1
John E. Swedberg	6	4
Kenneth J. Botty	3	0
Leo A. Sharron	4	0
Linda J. Silun	1	0

as of October 8, 1971

In closing the Conservation Commission would like to take this opportunity to remind all the residents of Millbury who know of natural land for sale, or who may like to donate any and, to remain in its natural state to contact the Conservation Commission.

Respectfully submitted,

DONALD J. MONTIGNY, *Chairman*  
SANDRA J. HJORT, *Secretary*  
WESLEY M. HOWE  
JOHN E. SWEDBERG  
KENNETH J. BOTTY  
LEO A. SHARRON  
LINDA J. SILUN

## Report of Plumbing Inspector

To the Honorable Board of Selectmen:

I hereby submit my report as Plumbing Inspector for 1971.

January 11, 1971 the fee for each inspection was increased to \$6.00.

209 Plumbing permits were issued  
 74 Roughing Inspections  
 238 Finish Inspections

Sixty-nine of the finish inspections were relocating of sewerage piping in dwellings for connection to the Common Sewer.

Plumbing Permits are issued at the Board of Health Office to licensed Plumbers.

Respectfully submitted,

ARTHUR A. NORTON

## Report of Revaluation Committee

To the citizens of the Town of Millbury and the Honorable Board of Selectmen, we submit our report of the activities of this committee for the year of 1971.

During the year we visited eight towns that had either finished a revaluation project or were in the process of doing so. They all agreed that it was an impossibility to expect the local assessors to take on such a project. It must be done by an experienced outside group.

The revaluation will include a listing and on the spot checking of every piece of property and certain personal properties. The cost of the complete revaluation will be not more than \$57,000.

As the mapping of the Town is a requirement before the revaluation can be started, this has been done. The mapping company is now in the process of transferring their information to a new card file. The mapping contract was for \$29,000, including aerial photography, two sets of aerial photographs, and two sets of blue prints of the property in the Town.

It is suggested by a representative of an outside revaluation company that a recheck be made every eight to ten years to bring values up to date. The approximate cost of this would be 25 per cent to 50 per cent of a complete revaluation depending on the method used. The maps should be checked yearly to bring them up to date.

A complete revaluation by an expert group will leave each taxpayer paying his fair share of the cost of running the Town. It will remove any inequalities now present. Some will pay more, some less, and some will remain the same. Some parcels may be found that are not being taxed through some mistake.

As to veterans and elderly person exemptions, this revaluation program does not change the size of the exemption but may change the tax paid because the exemption will be deducted from the current market value of the property rather than a percentage as is now the case.

In closing, this committee recommends that a revaluation project be undertaken for two reasons:

1. There is a Mass. State law requiring a valuation of a fair market value be put on all property. This law has not been enforced in the past but as of 1970, one half

of the 351 cities and towns in the state have brought their assessments to a ratio of at least 80%. There have been a number of towns added to this list during 1971.

2. As mentioned above, to distribute the tax burden equitably among all tax payers.

	Meetings	Attended
Laurence Stockwell	7	
James Beauregard	5	
Richard Kendrick	3	
Michael Ohara	3	
Donald Markey	7	
Gordon Engvall	7	
Charles Monigle	2	

Note: Numbers show meetings attended (7 meetings were held during the year).

Charles Monigle and Richard Kendrick resigned during the year.

Respectfully submitted,

LAURENCE STOCKWELL

## Report of Animal Inspector

To the Honorable Board of Selectmen:

The activities of the Department are as follows for the year 1971.

Dog Bites investigated	136
Other animal bites investigated	14
Bodies of animals on the highways	99
Barns and herds inspected	23

Respectfully submitted,

FRANCES M. COLBY

Animal Inspector

# Report of Society for District Nursing

To the Honorable Board of Selectmen and to the Citizens of Millbury:

The Millbury Society for District Nursing submits the following annual report for the year 1971.

The Millbury Society for District Nursing received an appropriation of \$10,500 from the Town of Millbury. With these funds the Society was able to provide the following services to the citizens of Millbury:

New patients admitted for nursing care	304
Total number of nursing visits to patients	2,818
Visits to patients over 65 years of age	1,386
Board of Health Services	
(including visits to expectant mothers, premature and new born infants and communicable disease visits)	174
Clinics serving the community	
Immunization Clinics	7
Shots administered	332
Blood Bank Clinics	2
Eye Testing Clinics	
Pre-School children checked	120
Survey on communicable disease immunization made on families with new born infants	100
Aid to families at Thanksgiving	11
Aid to families at Christmas	19

Other services available to the community through the Millbury Society for District Nursing are Physical Therapy, Occupational Therapy, Speech Therapy, Oxygen Therapy, Medical Social Service and Home Health Aides in time of need.

The Millbury Society for District Nursing wishes to express their appreciation for the support given to this agency by the Town of Millbury and will endeavor to continue providing a complete home health service program to the community.

Respectfully submitted,

CATHERINE S. GAUCHER,  
*President*

# **Report of Historical Commission**

To the Honorable Board of Selectmen and the Citizens of Millbury:

The Historical Commission with great pride wishes to make this report to the Citizens of Millbury. The Commission has established a Millbury Historical Society, a society endeavored to procure and preserve all and any historical documents, pictures and artifacts relating to the birth of North Parish in becoming what is known today as the Town of Millbury. Today not only is it our commitment to the past, but also to the present and the future of Millbury.

The Commission in conjunction with the Society are in hopes for a room in an appropriate municipal building to exhibit all the documents, pictures and artifacts that are being contributed to the Millbury Historical Society.

Respectfully submitted,

ROLAND M. LACHANCE,

*Chairman*

Millbury Historical Commission

# **Report of Committee to Secure Signatures for A Charter Commission**

To the Citizens of Millbury:

The Committee held its organizational meeting on April 15, 1971 and subsequently met on five occasions. Since this was a working committee, we believe that the number of signatures obtained directly or indirectly by each member is more indicative of a member's contribution than the required attendance reporting. Accordingly, the following includes both items:

Name	Meetings Attended	# of Signatures
Paul W. Aubrey	3	50
Lawrence M. Berthiaume	5	120
Richard J. Boire	4	130

Leo G. Boliver	6	363
Edmond A. Hachey	1	73
Bruce D. Lemoine	1	20
Wayne R. Modig	3	8
Donald S. Orrell	1	143
Roger J. Rock	3	165
Carman R. Rushton	0	0
Edward R. Wilczynski	1	35

On November 22, 1971, the Committee submitted 36 petitions containing 1107 signatures requesting the formation of a Charter Commission to the Registrars of Voters for validation. These petitions were found to contain approximately 1000 valid signatures and therefore, this important issue will appear on the ballot in the 1972 Annual Election.

Hopefully, the following brief outline will clarify any misunderstanding of the procedure for a Town Charter Adoption: If a majority of voters are in favor of adopting a charter, 9 candidates are elected to the Charter Commission on the same ballot. A public hearing must be held within 45 days of election to allow citizens to present proposals for consideration by the Commission. Within 8 months of election, the Commission must publish a preliminary report and hold one or more public hearings. Within 10 months of election, the Commission submits its final report to the Board of Selectmen and copies are distributed to the voters. The Commission's proposal is then placed on the ballot in the 1973 Annual Election for action by the voters.

The Committee would like to thank all those individuals who assisted it, and strongly recommends favorable action by the voters.

Respectfully submitted,

LEO G. BOLIVER, *Chairman*  
 RICHARD J. BOIRE, *Clerk*  
 PAUL W. AUBREY  
 LAWRENCE M. BERTHIAUME  
 EDMOND A. HACHEY  
 BRUCE D. LEMOINE  
 WAYNE R. MODIG  
 DONALD S. ORRELL  
 ROGER J. ROCK  
 CARMAN R. RUSHTON  
 EDWARD R. WILCZNSKI

# **Report of the Municipal Office Building Needs Study Committee**

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury.

## **FINDINGS AND RECOMMENDATIONS**

At a Special Town Meeting on March 6, 1971, Article Six of the Warrant read as follows — “to see if the Town will vote to authorize and instruct the Moderator to appoint a Committee to determine whether the Municipal Office Building should be a new structure or a renovated existing structure, said Committee to report back at the next Annual Town Meeting or at a Special Town Meeting called for that purpose; and to see if the Town will further vote to provide a sum of money for the use of the Committee, or take any action thereon.”

Following its appointment by the Moderator as a consequence of the Town's favorable action on the above Warrant Article, the Municipal Office Building Needs Study Committee has, in the past ten months, performed the following functions —

- 1) by means of questionnaire, personal interview, space analysis and re-interview by professional consultants, and discussions at plenary meetings with Municipal Officials and interested citizens, determined the space, equipment and personnel needs of all Municipal Government Departments (except school and fire) both for the present and immediate (5-10 year) future and for long-range (20 years and up) growth
- 2) given consideration to four possible locations and arrangements for Municipal Offices —
  - a) a new building at the former Town Hall site
  - b) a new building or addition at the site of the Fire Barn and Millbury Public Library
  - c) renovation of the present Center School building
  - d) a new building on the former Waters property on Elm Street
- 3) analyzed the space and function relationships within the Town Hall complex to establish —
  - a) the most desirable ultimate (20-year plus) program
  - b) the minimum acceptable present and immediate (5-10 year) future program

- c) the adaptability of the present Center School building to both "A" and "B"
- 4) prepared comparative cost estimates of the cost of a new structure and of the renovation of the Center School building for both ultimate and immediate programs

On the basis of these studies, the Committee has reached the following conclusions —

- 1) Use of the former Town Hall site is not practical because of its small size. Expensive multi-story construction would be necessary to accommodate programmed space and parking.
- 2) Use of the Fire-Barn site is not practical for the same reason as above. Addition to the Fire-Barn building is not possible vertically because of structural limitations and is impractical horizontally because the existing structure occupies virtually all of the useable street frontage. Combined with the Library site, sufficient land area would be available for immediate needs, but with severe limitations for future growth and at the sacrifice of flexibility and expansion of the Library.
- 3) The conversion of the Center School building to a Municipal Office building offers a number of advantages:
  - it is scheduled to be phased out by the School Department and will, at a time still uncertain, be available
  - it is a very substantially-built and well-maintained structure which bears its 58 years lightly as far as the basic structural shell is concerned and could reasonably be expected to give many more years of service — surprisingly for its vintage, it is not cluttered with immovable interior bearing walls which might obstruct development
  - it contains sufficient floor space for both immediate and programmed future needs and adequate land area for related parking

conversion costs, even to the quality standards of a new building, is only about 75% of the cost of equivalent new space

Against these advantages, however, must be placed the following disadvantages:

- the date of availability of the building is undetermined but is not likely to be before 1974, and in the interim, increases in construction costs would narrow the gap between conversion and new building budgets

- while space is available for both present and future needs, the limitations of the building (fixed shape, stair locations, three floors) and the requirements of the program make it very difficult if not impractical to accommodate the initial program without virtually completing the conversion of the entire building
  - the very substantial nature of the structure makes any required major structural alterations (e.g. for Police Garage or for vaults) substantially more costly than new construction
  - while the shell is sound, the mechanical systems (except for the new boiler and some lighting fixtures) are obsolete and will require complete replacement at greater cost than in a new building
  - the available land area, while adequate for the immediate and programmed future, is limited and allows for no unanticipated growth.
- 4) a new structure on the Waters property will meet all of the requirements of the Town both for the present and for the future, and is the recommendation of this Committee. Erection of a new building provides —
- maximum flexibility of planning while requiring no more construction than is necessary for immediate needs
  - future growth can be planned where definition is possible and provisions can be made in planning for a variety of unanticipated expansion patterns
  - the site is large enough to accommodate the needs of a Municipal Office building and possibly other civic functions for many decades to come
  - it has great natural beauty and will provide a setting worthy of the importance of the use

In the opinion of this Committee, the principal charge of the Warrant, as emphasized above, has been fulfilled by the summary and detail of this report. The comparison of feasibility between a new building and the conversion of an old building has been made in as much depth as can reasonably be expected within the limits of funds appropriated for the Committee's use. This Committee feels, however, that the information supplied herewith is not sufficient to enable the Town to make a wise and thoughtful qualitative decision regarding the facility to be erected nor a quantitative decision regarding the funds to be allocated to it. . .

the cost estimates provided by this report are derived from average costs covering a number of projects — in

a number of locations — at different times they are reliable *comparatively*, that is, the relationship between new construction and conversion costs is reasonably accurate, but the *absolute* cost for this specific project has not been established. Similarly, while the general feasibility of the program has been confirmed in terms of required Net Space, the detail planning which will allow for all the program requirements, both immediate and future, has not been done, and neither the form nor the finish of a proposed structure has been considered!

In the opinion of this Committee, both of these elements — the specific size, arrangement and quality of the building on the one hand, and the cost thereof on the other, should be known before any decision to commit or not to commit capital funds for the project is made.

To this end, this Committee, on the basis of this report, requests that —

- the Town allocate an amount sufficient to complete the planning and design development phases of the project
- the Committee be further charged to submit at a subsequent Town Meeting —
  - (1) Design Drawings; (2) Outline Specifications; (3) Detailed Cost Estimatesfor a "new Town Hall" on the Waters property
- the amount to be allocated for the Committee's use in this work not to exceed the sum of \$15,000.

# **Report of State Auditor**

Mr. Arthur H. MacKinnon  
Director of Accounts  
Department of Corporations and Taxation  
Boston, Massachusetts

Sir:

As directed by you, I have made an audit of the books and accounts of the Town of Millbury for the period from August 27, 1968, the date of the previous audit, to March 31, 1971, and submit the following report thereon:

The records of financial transactions of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined and checked for the period covered by the audit.

The town auditor's ledgers were analyzed, the appropriations, loan authorizations, and transfers were checked with the town clerk's records of appropriations voted and with the finance committee's authorizations of transfers from the reserve fund, and a balance sheet showing the financial condition of the town on March 31, 1971 was prepared and is appended to this report.

It was found necessary to compile many of the 1970 and 1971 general ledger accounts due to the numerous errors and omissions. It is recommended that the town auditor exercise greater care in making ledger entries, and that a trial balance be taken off each month in order that errors may be promptly found and corrected so that the ledger may reflect the true financial condition of the town at all times.

The books and accounts of the town treasurer were examined and checked. The cash book was footed and the recorded receipts were compared with the town auditor's books, with the records of the several departments collecting money for the town, and with other sources from which money was paid into the town treasury, while the disbursements were compared with the selectmen's warrants and with the auditor's books.

The cash balance on March 31, 1971 was proved by reconciliation of the bank balances with statements received from the banks of deposit, by inspection of the savings bank books, and by actual count of the cash in the office.

The maturing debt and interest payments were proved with the amounts falling due and checked with the cancelled securities on file. The outstanding coupons on March 31, 1971 were listed and reconciled with the balance in the bond and coupon account as shown by a statement received from the bank of deposit.

The records of payroll deductions for Federal and State taxes, the county retirement system, the local community fund, the teachers' association dues, and for group insurance premiums were examined. The deductions were proved and the payments to the proper agencies were verified.

The tax titles and tax possessions held by the town were listed and the amounts transferred to the tax title account were checked with the collector's books, the reported redemptions and sales were compared with the treasurer's recorded receipts, the abatements were checked with the assessors' records of abatements granted, the disclaimers were verified, and the foreclosures were checked with the treasurer's deeds to the town. The tax titles and tax possessions on hand were listed, reconciled with the ledger controls and checked with the records at the Registry of Deeds.

The savings bank books representing the investments of the several trust and investment funds in the custody of the town treasurer were examined and listed, the income was proved, the withdrawals were verified, and the balances were compared with the town auditor's books.

The books and accounts of the tax collector were examined and checked in detail. The tax and excise accounts outstanding according to the previous examination, as well as all subsequent commitments, were audited and proved. The recorded collections were checked with the payments to the treasurer, as shown by the treasurer's and the auditor's books, the abatements, as entered, were compared with the assessors' record of abatements granted, the transfers to the tax title account were proved, and the outstanding accounts were listed and reconciled with the controlling ledger accounts.

The outstanding tax and excise accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen and the town clerk, as well as by the police and health

departments, were examined, the payments to the State and the town being verified.

In addition to the departments mentioned, the books and accounts of the sealer of weights and measures and the inspector of gas appliances as well as of the fire, school, library, and cemetery departments, and of all other departments in which money was collected for the town, were examined and checked. The payments to the treasurer were verified by comparison with the treasurer's and the auditor's books, and the cash on hand in the several departments was proved by actual cash count.

During the course of the audit it was noted that the police department collections pertaining to accident reports were used to pay the police dispatcher, which is contrary to Section 53, Chapter 44 of the General Laws, which provides, in part, as follows:

"All moneys received by any city, town or district officer or department, except as otherwise provided by special acts and except fees provided for by statute, shall be paid by such officer or department upon their receipt into the city, town or district treasury."

In addition, the direct payments to the police dispatcher from receipts are contrary to the provisions of Section 35, Chapter 41 of the General Laws which provides that all bills of any department shall be paid by the treasurer only.

The surety bonds furnished by the officials required by law to furnish such surety were examined and found to be in proper form.

In addition to the balance sheet, there are appended to this report tables showing reconciliations of the several cash accounts, summaries of the tax, excise, tax title, tax possession, and departmental accounts, together with schedules showing the condition of the several trust and investment funds.

For the cooperation extended by all town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

GORDON A. MCGILL

Assistant Chief of Bureau

## Report of Auditor

The following report as of December 31, 1971 includes the balance sheet of the Town of Millbury with detailed schedules of income and expenditures, and a schedule of appropriations, expenditures and unexpended balances in summary form.

The 1971 report contains more complete information than in 1970, since upon taking office in November of 1970, I requested an audit of the books of account by the Commonwealth of Massachusetts. Several months had elapsed since that request until initiation of the audit, thereby making an all inclusive presentation for 1970 impossible.

I would like to thank State Representative Richard J. Dwinell, through whose efforts, the audit by the Commonwealth of Massachusetts was initiated in March of 1971.

In the coming year, I intend to initiate a more comprehensive review of all vouchers and bills for payment, in order that only those necessary expenses be incurred.

I would like to express my gratitude to those persons that co-operated with me in order that this report was made possible and more meaningful to the town.

Respectfully submitted,

E. BERNARD PLANTE

Town Auditor

Richard E. Chevalier, <i>Vice Chairman</i>	
<i>and Secretary</i>	Term Expires 1973
Paul Kollios	Term Expires 1973
Mrs. Judith A. Fitzpatrick	Term Expires 1974
Roland M. Lachance	Term Expires 1974

School Committee meetings are held on the  
first and third Mondays of each month

### *Superintendent of Schools*

DR. IRWIN C. ELKINS

### *Assistant Superintendent of Schools*

DR. ALFRED J. SYLVIA

### *School Calendar, 1972*

Winter term	January 3, 1972 to February 18, 1972
Spring term	February 28, 1972 to April 14, 1972
Summer term	April 24, 1972 to June 23, 1972
Fall term	September 6, 1972 to December 22, 1972

### *School Sessions*

Grades I-VI:	8:40 a.m. to 3:00 p.m.
Senior High School:	7:45 a.m. to 1:41 p.m.
Junior High School:	10:14 a.m. to 4:10 p.m.

## **Report of The School Committee**

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1971.

This year witnessed attempts to expand curriculum and improve other school services in facilities bulging at the seams.

The following salary schedule became effective in September, 1971:

		<i>Minimum</i>	<i>Maximum</i>
(1)	Bachelor's Degree .....	\$7,300	\$10,700
(2)	Bachelor's Degree + 15 hrs. ....	7,600	11,100
(3)	Master's Degree .....	8,100	12,050
(4)	Master's Degree + 15 hrs. ....	8,400	12,350
(5)	Master's Degree + 30 hrs. ....	8,900	13,250

The Committee spent many hours in negotiations, which were open to the public, and the result of these deliberations kept Millbury again just below the median for schools our size. AFL/CIO bargaining and bargaining with administrators also were conducted. The end result of these and other long evenings was the continuance of what we believe to be a fine educational program for the children of Millbury.

Budget sessions for 1972 are still being conducted, and we have invited citizens to participate in every budget work session, which is an innovation for Millbury. Further budget sessions will be held following the January 31 Special Town Meeting since the outcome of that meeting, if successful, will enable us to consider many budget reductions in the category of equipment. Also, the budget as presented is still deliberating such items as sewerage, salaries, and other items. We hope other citizens will visit our work sessions when they are announced.

Attendance: Out of 23 regular meetings for the year, attendance was as follows:

Mr. Leonard — 23

Mr. Stowe — 1, through March 1st (out of 5)

Mr. Mogren — 4 through March 1st (out of 5)

Mr. Chevalier — 23

Mr. Kollios — 23

Mrs. Fitzpatrick — 18 March - December (out of 18)

Mr. Lachance — 17 March - December (out of 18)

The School Committee wishes to thank everyone for the generous cooperation given it during the past year.

School Committee

## Report of the Superintendent of Schools

I hereby respectfully submit my fourth annual report and the eighty-second in the series of reports of the Millbury school superintendents. As in years past it is gratifying to acknowledge the many positive changes in the educational program and to express my gratitude to so many people who have made these changes possible. The public is not often aware of the countless hours spent behind the scenes by the professional staff long after the children have gone home for the day, and the immense logistical problems in coordinating a two-million dollar enterprise. It is wonderful that the spirit of cooperation between the town and schools remains as strong as ever in spite of the hardships caused by the deterioration in our physical facilities. Let's work together to see that the citizens of Millbury respond to logic in the solving of the serious problems facing the schools. We need facilities desperately.

*The Shape of Education on the National Scene, 1971*

Continuing emphasis on economically disadvantaged children, the drug scene, and integration claimed the spotlight during the year. But

even more than this was the growing unrest of property owners plagued by the burdens of unequal property-tax in financing education. There is no question that the overriding concern during the year and into next year is the far-reaching effects of court decisions in California, Texas, and Minnesota which have kicked off a campaign to aid the property-owner. The present set-up is unacceptable and some other approach to financing education is needed. People began to accept the fact that the "good old days" could never be revived again, no matter how devoutly wished and were thus forced to accept the changes and challenges facing our children.

#### *The Shape of Education on the Local Scene, 1971*

Fortunately, Millbury's educational program has stayed abreast of national developments. Programs have been modified and evaluated continuously. Our fourth grade assessment by the State showed that our children performed above where we should have been by an average of 2-5 months, and other testing performed diagnostically within the system showed that the individualized programs in reading and math were beginning to pay off at the primary level. Weaknesses were noted in certain areas of math, which we are presently investigating and seeking to change.

As far as curriculum expansion is concerned we are stymied until something is done by the citizens. We have patched, made-do, compromised, and shoe-horned. Now, the time of decision is at hand. The weeds of inactivity over the years have taken root and must be taken care of before it is too late.

The following report is by Dr. Alfred Sylvia, our newly-appointed Assistant Superintendent. He was appointed to replace Mr. Beaumont, and in the few months he has been with us has already brought thousands of dollars to Millbury in the area of federal programs. His coming has fulfilled our expectations, and many things can now be done by myself and other professional personnel for which there was no time previously. It hasn't cut down on the 50-60 br. weeks over the year for the both of us, but it has certainly made a difference in the work output and efficiency of administration of the district.

#### *Report of the Assistant Superintendent Dr. Alfred Sylvia*

Since the position of Assistant Superintendent of Schools is new, and since this is my first report to you in this capacity, it seems most appropriate to begin with a statement of my major areas of responsibility.

Working in very close cooperation with the Superintendent of Schools, my major duties have and will be concerned with the improvement of instructional programs (grades 1-12); with staff in-service programs (we are now in the process of completing a successful fifteen week drug education program for our teaching staff), with writing, coordinating and directing federally funded projects, with the preparation of budgets and the development of bid specifications along with a very deep involvement in our plans for new educational facilities. These plans have been severely aggravated by the loss of the Union School. As you know the destruction of the Union School saw with the loss of four fifth grade classrooms, in addition to specialized areas for art, music, reading and Title I instruction.

The opening of the 1971-72 school year brought with it many improvements in our instructional programs. Our progress is clearly demonstrated when we compare our 1970 programs with what we are

doing this year. For the first time students in grades 4-6 are receiving instruction from a teaching specialist in physical education and music twice per week along with one specialist taught art period per week. During the 1970-71 school year intermediate grade students received only one instructional period per week by a specialist in each of these three areas. In 1970 the fifth and sixth grade students of Center School had no reading specialist. This year we are able to provide the limited service of a reading specialist for the first time.

During the 1970-71 school year, we had only one guidance professional servicing grades 1-6, this year with the addition of another staff member, we are able to do much more for our elementary grade students. For the first time instructional teacher-aides became a part of our elementary reading and math programs. Title I funds made this possible as well as providing funds for innovative instructional materials and equipment. If any one item had to be selected as new to the classroom, it would have to be the implementation of cassette tape programs used in combination with our new listening centers. In addition, Title I funds made it possible to engage the service of a media clerk whose prime responsibility is to reproduce instructional materials for our Title I teachers and teacher-aides. Another instructional area which received considerable attention both last year and this past summer was the implementation of a new modern math program. A new text has been selected along with a staff developed curriculum scope and sequence guide for teachers. We are most concerned with providing a multiple approach to teaching math skills and concepts to our students. A new program which has been well received by both staff and students has been the introduction of a humanities program at the Center School. Presently this program is focusing upon the history, culture, art and music of such countries as Africa, China, Russia and Great Britain. By using such instructional media as tapes, slides, filmstrips, records, visual pictures and a number of supplementary textbooks, students are gaining a more complete picture of man and his unique contribution to our world society.

My first few months as your new Assistant Superintendent of Schools have been busy months filled with the formulation of plans for exciting programs yet to be implemented. The Millbury schools have outstanding potential for growth in the years ahead. Our most crucial need is without question the need for your approval of a building program which will make it possible for us to conduct the educational programs essential for success in tomorrow's demanding society. We plan to move ahead with vigor in meeting the many challenges open to us for program improvement. Our long range plan calls for programs in differentiated staffing, differentiated learning, curriculum construction, individualizing instruction, student involvement, innovative summer programs and workshops, and the use of new instructional materials and media by our entire teaching staff. Much more emphasis will be placed on unifying our efforts to bring into direct focus our commitment to meeting the needs and interest of a diverse student population.

In conclusion let it be said that it is a pleasure and delight to share such diverse responsibilities with our Superintendent of Schools, Dr. Irwin C. Elkins, building principals, directors and teaching staff. Our future achievements will be through their efforts and assistance. Special note needs to be made of the strong leadership and encouragement which have been received from Dr. Elkins and the Millbury School Committee. Their support and confidence are sincerely appreciated.

### *Elmwood Street School Library Service*

The Elmwood Street School Library/Media Center has a collection of 4975 volumes. 3505 volumes are circulated from the media center; the remainder of the books are housed in classroom collections. The amount of audiovisual equipment and materials has increased because of federally funded programs.

The media center is an extension of the classroom. It is accessible to teachers and students throughout the day. Students are encouraged to use the facilities for pleasure reading and reference work. The media specialist is involved with teachers and students in planning various programs and projects.

Media service extends beyond the walls of Elmwood and encompasses the outlying elementary schools. Information and materials are available to all teachers.

The school media program is geared to the needs of the students. The students are taught media center skills and reference skills. Stories are read to the younger students.

The media specialist also trains student assistants. Students are chosen to serve in the media center before school and during the lunch period. The students collect and charge out materials, shelve books, and arrange exhibits.

Services of the media specialist to the teachers include: conferring with them about planned activities; advising teachers of new materials through newsletters; offering help in the use of all audio-visual equipment; suggesting multimedia to supplement the curriculum; giving instruction in the use of the media center; encouraging the advice of the teachers when ordering new materials; working with special teachers in their areas.

Some of the mothers in the Elmwood Street School Mothers Club have become regular volunteer helpers in the library/media center. Their assistance has been greatly appreciated.

A part-time media aide is now working with the Title I Program. She assists the Title I teachers by preparing audio visual and print materials for their use.

The media program at Elmwood is successful because of the support of the school principal, cooperation among the teachers, and a close working relationship between the teachers and the media specialist.

### *Elmwood Street School*

This year we have enrolled at the Elmwood Street School six hundred children. Elmwood Street School contains twenty-four classrooms consisting of grades one through four, as well as one Special classroom, a gymnasium, cafeteria, library, and offices for Guidance, Reading Coordinator, Perceptually-Handicapped, Speech Therapist, as well as areas for both Art and Music.

Parents' Night was held at the school on Wednesday, November 10, 1971. Over three-fourths of all the childrens' parents were able to visit our school and observe the teaching staff conducting classroom lessons for them. This helped greatly in acquainting the parents with the new books and the types of equipment that are being used to stimulate and motivate the children in their educational growth. The

complete staff and myself were greatly pleased at the number of comments that you, the parents, expressed about your school and the interest that was demonstrated in the discussions that took place.

In order to schedule all parents for personal conferences, Wednesday afternoons after school were set aside for this purpose. In addition school was closed on Thursday, December 2nd, at noon, to allow parents to visit this school for personal conferences with the teachers. Over half of the children's parents attended these conferences.

The highlight of this year was the expansion of our Reading program into grade one. Over the last three years we have expanded our multi-level Reading program into all grades. This was due to the enthusiasm on the part of the teachers and after careful evaluation by all of the teachers involved in this program last year. It was then decided to expand this program into the first grade. We presently have five hundred and seventy eight in the multi-level approach to reading. Children in this program are worked with at ability level and small group instruction is available to those children who are having difficulty. There is movement within these groups so that a child is constantly being worked with at the level where he or she needs help. The Title I program has enabled us to station a full-time person at each grade level as well as part-time personnel to help individualize our program to the greatest extent and give to those children who have severe reading problems individual instruction.

All children within this school are offered classes in Art, Music, and Physical Education on a weekly basis. These highly qualified instructors travel throughout the town so that all the children in the public schools benefit from their services. We are fortunate to have such qualified personnel in these areas.

There are also qualified specialists in the fields of Guidance, Speech, Reading, and the Perceptually Handicapped. We are able to offer to all of the Elementary children of Millbury help with various educational problems that they might have. These children are recommended to the specialists on a referral basis, usually by the classroom teacher or the principal. All of the children that are referred for special help are either tested or evaluated by the individual specialist at an informal conference to see what specific type of help can be given to the child to upgrade them educationally. Those children who we find to be perceptually handicapped after they are tested are brought into the Elmwood Street School to be incorporated into our regular school program and then be able to receive special help from the perceptually handicapped teacher.

We are especially fortunate to have a library included in our physical plant which is fully equipped with the best in children's literature and research material and is spacious enough to allow full use by each student and teacher in a school of this size. A library schedule is currently in operation for all classes in the building and each individual classroom draws from the main library for room libraries on a rotating basis.

There has been a major change in the town's elementary cafeteria program. This year, the cafeteria staff at Elmwood Street School is preparing and providing a hot lunch program to all the outlying elementary schools in Millbury including the Assumption Parochial School. This means that the cafeteria has to prepare approximately fourteen hundred individual lunches which are then transported to all the other elementary schools.

In conclusion it has been our policy since the opening of the new Elmwood Street Elementary School in September of 1968, to offer the facilities of the school in the same manner as a community school. We will always be striving to set up programs within the school that will be a benefit to the children of Millbury. Our schools' facilities are used constantly throughout the year both during the school day as well as in the evenings.

The facilities of the school are constantly used throughout the year in an after school program and during the summer. During the summer months Little League and the various softball teams make excellent use of our outside play area. During the winter months our gym program is in operation, affording all residents of Millbury a chance to use the facilities.

### *Physical Education*

In Millbury, physical education is compulsory for every student, in grades one through twelve, providing the student is medically able to participate. The students in the lower elementary school meet once a week and in the upper elementary schools, twice a week. Students in the Junior-Senior High School are supposed to meet twice a week.

In the Junior-Senior High School, every student must be in a specific physical education uniform for participation, because of safety, modesty, sanitation, and uniformity reasons. The program of activities is well rounded, with variety. It is our intention to meet the needs of the students in Millbury. The program will vary as the need arises and with the changing trends.

Our philosophy in physical education is to provide an optimum opportunity in developing the student physically, socially and intellectually. Physical education contributes to this aim through its objectives and proper selection of activities.

In the physical education program, we are constantly trying to improve our curriculum. Many of the limitations that do exist, are due to overcrowding, lack of personnel, inadequate facilities, and problems in scheduling.

### *Center School and the Other Statellite Schools*

The school year for 1971-1972 opened September 8, 1971 at the Center-Union School with a total enrollment of 454—117 in Union and 337 in Center.

There are twelve classrooms in Center School—four rooms of fifth graders and eight rooms of sixth graders. All classrooms are set up heterogeneously at Center School with the fifth grades working in a self-contained situation and the sixth grades working in a departmentalized situation. The four fifth grades at Union are also set up in a self-contained situation. However, all reading classes are set up homogeneously—the fifth and the sixth grades in both buildings.

A developmental reading program was inaugurated this year involving some thirty fifth and sixth graders at Center-Union School. These youngsters are being taught each morning from 8:55 to 10:25 by Mr. Randolph Magren. The Scott, Foresman Open Highways Curriculum Foundation Series is being used to provide numerous opportunities for individual development by each child. This reading program is further enriched and reinforced with the use of tactile and kinesthetic materials such as filmstrips and records.

Individual evaluations of each youngster in the class is provided for the classroom teacher to assure a continuation of the skills that need reteaching and further development.

A change was instituted this year in our Title I program. A teacher aide recruitment program was inaugurated, placing emphasis on small group and individual instruction.

In recruiting the teacher aides every attempt was made to engage the services of adults who have a sincere concern for helping youngsters. Meetings were held to allow classroom teachers to contribute to the program by the suggesting of specific curriculum ideas and approaches. During the Fall weekly meetings were held to discuss the problems relating to the program. The teachers at Center-Union School have worked closely with Mrs. Fay, head Title I teacher and her five aides.

This year a study group was formed and a course of study written for Modern Mathematics, grades 1 through 6. The group evaluated several texts and decided on "New Dimensions in Mathematics" by Harper and Row. This book embodies a complete program in elementary mathematics education characterized by an indepth readiness system for pupils. As they progress to successive levels of understanding ,multiple methods of teaching insure greater achievement by pupils of varying ability levels.

"Back-to-School Night" was held at Center-Union School November 9th and was very successful this year, as it has been in the past. All teachers were on hand to give the parents a view in capsule form of the subject area the youngsters are working in. The sixth grade parents were given the opportunity to go through a typical day in their children's schools. The "typical day" was divided up into twelve minute periods with each teacher's explanation of the subject area during that time. A social hour followed in the cafeteria.

Classes were dismissed again this year for parent-teacher conferences at noon on December 2, 1971. There was a total of 222 conferences set up for that day with the teachers at Center-Union School. This noon-time dismissal gives both the teacher and the parent a much better opportunity to discuss any problems the student may be having.

On February 25, 1971, the sixth grade held a Science Exhibit. Every student submitted an entry and awards were given to the following:

1. Pollution — Lisa Swedberg — Tammy Shaffer
2. Rockets — Robert Hall — Peter Caplette
3. Aquarium — Janet Swett — Lisa Wilczynski
- H. M. — Weather — Patricia Duso — Ann Berthel
- H. M. — Telephone — Edward Blake

Our annual field trip to Sturbridge Village was enjoyed again this year by the sixth grade students. This, we consider one of the most enjoyable and most educational trips which can be offered to any student. The fifth grades enjoyed trips to the Boston Science Museum, Fitchburg Planetarium and the Boston Museum of Fine Arts.

Pilot programs in the Humanities were officially begun in the Spring of 1971. The programs, which combine Social Studies, Liter-

ature, Art and Music were designed to present students with a knowledge and appreciation of the contributions of different world cultures to today's civilization. After a 5-month trial program using combined fifth and sixth grade classes, teachers decided to institute the program into the existing sixth grade Social Studies classes. At present, the sixth grade classes are involved in a pilot program which is based on a non-textbook, multi-media approach. Student interest and academic success have been high as measured by pre and post objective tests and student attitude inventories.

The Massachusetts State Department of Education has approved a Title III N. D. E. A. Grant for \$4,272.00 for necessary equipment and teaching aids.

This year the Center-Union School is fortunate in having the services of Mr. Thomas Montimurro, Guidance Counselor for three full days. The primary function of the elementary guidance counselor at the Center-Union School is to provide individual counseling for students in the fifth and sixth grades. With the counselor, the children are aided in dealing with school problems as well as discussing their feelings. In addition to individual counseling, the counselor also engages in group guidance. This would involve meeting with a large group of children and discussing a general topic of mutual interest to the students. Another function of the guidance counselor at the elementary level is to administer and supervise the testing program in the school. Individual as well as group achievement testing is handled by the counselor.

Prior to the Christmas vacation, Miss Martel and Miss Malboeuf visited the two nursing homes in Millbury (Smith's and Grove Villa) with Christmas favors for the patients. Mr. Nagy and the chorus also accompanied Miss Martel and Miss Malboeuf to entertain the residents of the homes with the singing of Christmas Carols.

It is with a great deal of nostalgia I wish to comment on the happenings of December 18th, 1971 at which time the Union building, a part of the Center-Union Complex was completely destroyed by an unfortunate fire. During the one hundred and thirty years of this building's existence, it served many facets of our educational system as an elementary school. The loss of this building has put a tremendous strain on our existing facilities.

It is the sincere wish of this administrator that the citizenry of Millbury will look with favor upon the building proposals to be presented by the Millbury School Committee at the next town meeting. After a great deal of planning and changing of schedules, the four fifth grades housed in the Union School were relocated. Three classes were shifted to Elmwood Street School and one class to Center School. Due to the disruptions caused at both Elmwood Street School and Center School, this can at best be considered a temporary solution to the problem.

In conclusion, I want to thank everyone who made this a successful, enjoyable and productive school year.

#### *Music Department*

Miss Rachel Archambault is teaching music to all pupils in grades one through four at Elmwood Street School and Burbank School. She is also teaching special classes at both East Millbury and at Elmwood Street.

Miss Archambault visits each classroom one time per week in grades one, two and three and twice per week in grades four and special classes. Her program consists mainly of singing and rhythmic activities. She also does much work with rhythm band instruments, tone bars, autoharp, and tone bells.

Mr. Michael Nagy is handling all vocal, general, and instrumental music at the Center School. He is also providing music classes in the lower grades at Dorothy Manor, East Millbury, and Providence Street Schools. It is unfortunate that we were burned out of our Union School for it was in this building that Mr. Nagy conducted all of his music classes. Many valuable instruments and music books were also lost in this fire. We are now in the process of trying to replace some of the equipment and books which will allow us to continue our instrumental and vocal instruction at the Center School.

On June 17, 1971 a combined instrumental concert prepared by Mr. Nagy featured the Center-Union Band and Mr. Bruno presented the Elmwood Street Band. This concert was well attended by parents and relatives of those taking part in the program.

Mrs. Eleanor Olson is teaching at the Junior-Senior High School. Her classes consist mainly of seventh grade music classes which she sees two periods a week. She also spends two periods a week with an elective eighth grade music class. Mrs. Olson also teaches a course in Music Literature. This is the first year this course has been offered. This class meets three periods a week and is geared mainly to those juniors and seniors seriously interested in learning how classical music has developed through the ages. She is also in charge of our High School Chorus. This group meets four times per week and sings at our Christmas and Spring Concerts plus graduation.

Mrs. Olson has also done much to encourage singing in grades seven and eight. She has organized a Junior High Chorus of over fifty voices which meets one morning per week before school. This group also performed at our Christmas Concert.

Mr. Bruno's duties consist of rehearsing the High School Band four periods per week and also providing all the instrumental instruction in the Junior-Senior High School. He also teaches flute/phone classes to all pupils in grade three at the Elmwood Street School. This is an excellent primer for students setting a basic foundation toward the playing of regular band instruments.

The High School Band performs at home football games, pep rallies, the Memorial Day Parade, a Christmas Concert, a Spring Concert, Graduation, and the Fourth of July celebration.

We are fortunate this year that the High School Band has been scheduled four periods per week. This is a great improvement over the past years and will give an opportunity to vary the type of music we play plus music that is more challenging. Mr. Bruno has also organized a State Band in the high school. This group consists of fourteen players all of which are in our High School Concert Band. This group performs at both our Spring Concert and the Fourth of July celebration.

Two Millbury High School students auditioned for the Central District Annual Concert. Amelia Sachetto was accepted to play first oboe in the band. She was also recommended to audition for the All-State Festival.

### *Adult Education*

The goals of the Director for the Spring Term were to:

- (1) increase the number of participants and choice of courses offered to the adults of Millbury and
- (2) investigate the possibilities of inaugurating a "Preparation for GED Tests" course and study the general structure and administration of such a program.

The initial goal was realized as the curriculum of six courses serving 85 adults grew to eight courses serving 130 participants.

A planned program of dispensing releases to news media and various gathering spots in Millbury both established a pattern of planned publicity and helped to achieve the aforementioned goal.

At a School Committee meeting in April the GED course was given a monumental boost as the Committee voted to finance the course on a draw basis; setting the stage for the Fall inauguration of the course.

Starting the Fall Semester, the goals were:

- (1) the inauguration of the "Preparation for the GED Tests" course and
- (2) the continued building of the Program.

The GED course emerged very successfully as 16 members were registered. The course thus paid its own teacher and costs for teaching supplies were minimal. The curriculum also increased to nine classes serving 144 adults.

For the year I believe the Millbury Adult Education Program emerged quite successful as courses increased 33% while participation in the program increased nearly 65%. An added lift was given to the program when the "Powderpuff Mechanics" course received a front page write-up in the Worcester Gazette.

### *Director of Special Services*

The second annual report for the Department of Special Services is hereby presented. This report is the first to cover a full calendar year.

In special education there are the three divisions—high school educable, elementary-intermediate educable, and the trainable.

For the high school group, considerable progress has been made in implementing the program so that the young people have the opportunity to participate in many areas of the high school program. The previous integration of these young people in art, music, shop and physical education is being continued to the degree that the program permits. Limited classroom time for the group has handicapped integration in some measure. This year one boy has been integrated in a Mechanical Drawing Class for four days a week and four of the older girls have been given the opportunity to take Typewriting five days per week.

The fact that the school committee approved the granting of a high school diploma to these young people is a real morale builder for the boys and girls and it provides impetus for further expansion of

the program. At the beginning of this school year, the group was divided according to age. One girl was rated a senior; three girls became members of the junior class; one boy and one girl were ranked as sophomores and three girls and one boy were classified as freshmen; thus, appropriate home room assignments could be established. In line with their high school status, the class this year is getting the same report card and the same type of marking as all other students in the school.

Supervised work experience within the school is another innovation this year. Each boy and girl is working one-class period a day in some area outside the classroom. Opportunities for work with the custodians, in the cafeteria, in the guidance office, in the general office and in the library have been made available to these young people. The cooperation from all departments and personnel involved has been most helpful and gratifying.

At the elementary level the children in the special education program receive, in addition to academic training, instruction in art, music and physical education. Help is given to them under the Title I program; food, clothing and craft classes are held for them. Three of the children receive speech therapy.

The great need in the elementary program is an additional class. At the present time the children range in age from eight to almost fourteen. Such a spread in ages brings academic and social problems. There is need for an intermediate group which would care for the children aged eleven through fourteen.

A highlight for special education classes was the bus trip to Boston last May. The thirty-five young people from all three levels of the program, under the supervision of seven teachers and the school nurse, attended the circus in Boston Garden. Most of the youngsters were seeing city skyscrapers for the first time and the circus was a new learning experience for all of them.

In the program for speech therapy seventy-six youngsters are involved. First grade youngsters were checked; children in other grades were checked last year. Any youngster who had not previously been examined and who gave evidence of a speech problem was checked at the beginning of the present school year. Children receive therapy at least twice a week. The program is available for youngsters in grades one through six.

In the program for the perceptually handicapped, twenty-six children are enrolled. Ten of the youngsters are being continued from last year and sixteen entered the program the past fall. Classes of forty-five minutes' duration are being held four times a week for children in grades one through four. A few children at the fifth and sixth grade levels are getting help once a week. The emphasis is on help in the lower grades. Because the program was started only two years ago, training has been continued in grades five and six for those children who were found to have handicaps that could not be corrected in one year's time.

The last area of activity for the department of special services is the Greater Blackstone Valley Youth Guidance Clinic. It is difficult to present a completely accurate account of the services of this clinic to the schools of Millbury. Sometimes progress in cases referred appears to be a minus quantity; however, through patient and persistent effort results may eventually come. One, released from school two years ago because emotional problems prevented his coping with

classroom situations, was accepted in December as a resident trainee at Rutland Heights Mental Health Rehabilitation Center. A girl, now eleven, for whom countless efforts had been made to find some kind of school placement was admitted this fall to a school opened at Worcester Youth Guidance Center. She is attending school each day from 9:00 a.m.-2:00 p.m. Three children are attending the Nursery-Kinder-garten Program in Uxbridge.

Within the school, our school's consultant from the clinic spends two days a month. She discusses the problems of our young people with the guidance counselors, the director of special services and sometimes the school nurse. If it seems advisable, the consultant will request that arrangements be made for her to visit the child's home. Sometimes the family is asked to refer directly to the clinic so that action may be initiated sooner. Youngsters, and their parents too, frequently are scheduled for meetings at the clinic.

Referrals are coming from the elementary grades as well as the junior-senior high school level. Home visitations by a social worker have been recommended for about half the cases; one youngster is going to the clinic for therapy. At the time of writing some fifteen cases are under discussion.

Programs should continue to grow. There is considerable activity at the moment in the Greater Blackstone Valley Youth Guidance Clinic program. Testing and evaluation must be renewed for the program of the perceptually handicapped. The special education program will continue to be expanded. An intermediate class is really needed. At the high school a classroom reserved for special education could be very helpful; it is just not available at the moment.

#### *Guidance Services*

The following is a report of the Guidance Department for the calendar year 1971. This report is broken down into major areas of activities of the program.

Counseling—During the past year counselors have seen the following number of students in these categories.

Personal Counseling	911
Educational—Vocational Counseling	3900
Parents & Teachers	1389
Agency Contracts	318
<hr/>	
Total Interviews	6836

This figure represents an average of approximately six students per day per counselor. If you take into account the fact that one counselor has only been involved since September 1971 and another counselor is only available 5/7 of the day due to teaching assignments the figure would be much higher.

Advanced Education—Quite often the question that is most frequently asked about a school is how many students went on to four year colleges. The important question is how many students who applied to higher education in one form or another were accepted.

The class of 1971 had a total of 125 students of which 76 or 61% applied to schools of higher education. Of the 76 students who applied all 76 or 100% were accepted.

**Group Guidance**—Group work is perhaps the most effective and efficient way to reach many students. The group work that is being conducted here in the Millbury school system is designed to provide information to students and to help students have a better understanding of themselves and others.

The first grade program attempts to bridge the gap between home and school in a natural and interesting manner. Each child has a guidance workbook designed to help each child establish effective pre-reading habits; it also provides a method for evaluating the child's maturity, activities and interests.

The grade two program is designed to stimulate social and emotional development. By the use of various materials activities are focused upon helping the child understand himself and others. Extensive use of listening, inquiry, and discussion is made in these groups.

The grade three program is oriented towards the broadening of the child's occupational horizons and attitudes towards the world of work. The program helps the pupil to realize that changing goals and ideas are a part of growing up. As a result the pupil becomes aware of the problems associated with training for, securing, and progressing on jobs.

With the addition of a counselor to work with grades 4, 5, and 6 we have been able to develop programs at these levels.

In grade four the concentration is on helping the students to understand and develop values such as respecting other's property, accepting individual differences and recognizing their responsibilities.

The program in grade five is designed with the purpose in mind of having the child take an objective look at himself and the kind of person he wishes to be.

The program in grade six is somewhat experimental in that it is only being used in two classes. It is intended to make children aware of the wide variety of occupations available, to encourage wholesome attitudes towards work with the ultimate goal being a desirable approach to occupational choice.

Group work at the junior high school has consisted of discussions of such topics as Careers; The World of Work; How to Study; and the High School Program of Studies.

**Testing Program**—In grades 2, 3, 4, 6, 8, and 10 academic aptitude and tests of basic skills were administered to all students. The results of these were distributed to all students as well as to teachers and administrators. In the report to teachers and administrators weaknesses in curriculum and particular student needs were pointed out.

In grade one all students were tested to determine if there were any visual, auditory, or motor coordination difficulties. As a result remedial follow up activities were initiated with those students who demonstrated difficulty in any of these areas.

In grades eight and ten, tests of vocational interest were administered to the students. The results of these were given to the students and used by the guidance counselors in assisting the students with their vocational and educational selection process.

At the seventh and eighth grade level a diagnostic reading test was administered to all students. As a result of this program several changes have been initiated in the junior high reading program.

There are many other activities that take place in the guidance program but it is felt that those I have referred to are the highlights of the program.

In conclusion I would like to thank the school administration, the Millbury School Committee and the people of Millbury for their fine cooperation.

### ***Health Services***

During the year the health department was involved in pre-school registrations, physical examinations for grades 1, 4, 7, and 11, and the annual physicals for height and weight of each child. In addition, screening facilities were used for vision and hearing, tine tests administered, and referrals made for treatment of children with specific disabilities.

Emergency care was provided at school, home contacts were made, and individual instruction in personal hygiene given. The health department notes the lack of clinical facilities in the older buildings and recommends updating of services in these areas.

### ***Secondary Program, Grades 7-12***

The junior-senior high school was on a staggered schedule so that the school could handle the increased enrollment and at the same time make the necessary curricular changes in its program. Of course, the well is now full, and any future improvements in expanding our course of study will have to be made on some other time arrangement. As it is, the increased enrollment already makes double sessions possible. It goes without saying that the successful passage of the building program will be the catalyst for either a modern high school program or continued decay with threatened accreditation. It would be a shame if this past year turns out in reality to be a last gasp in our endeavors to improve and expand our curriculum.

### ***The Junior High School***

With the opening of school in September, we were fortunate in having no changes in the faculty of Millbury Junior High School. The only addition was Mrs. Maureen Short, on a part-time basis with the Jr. High School and Senior High in the math department.

On May 21, 1971 all members of the eighth grade class, accompanied by their teachers, went to Boston on an educational trip. The students were afforded the opportunity to visit the Boston Museum of Science as well as places of historical significance such as Old North Church, Bunker Hill Monument, and Old Ironsides.

In the Reading Department, this year, the Imperial Intermediate Reading Program was introduced. It is a multi-media series of 8 units and some 40 lessons, introduced by tapes and using story cards and student activity books. The purpose is to individualize the instruction as well as supplement the basic texts. It is geared to the high interest level of the youngsters of the intermediate grades. There are exercises in the student activity books which provide motivation for the youngsters, as well as colorful story cards and tapes which use music and dialogue to stimulate interest.

All lessons are directed by the children and corrected by them in order for the students to set their own rate and evaluate themselves.

The 8 units include mystery and adventure, pioneer life, sports, animals, famous people, science, people around the world, and legends,

tales, and poetry. The first lesson is a placement test. Once the youngster is placed at his or her level, then the program gets progressively more difficult. The lessons can be used in remedial work, supplementary work, or enrichment work. The reading levels extend from grade 2 to grade 9 and is recommended on an individual basis rather than a large group basis.

Parents' Night was held on November 8, 1971 for grade 7 & 8. Because of a small turnout parents were able to meet with teachers at this time. On December 2, there was a released time day and parent conferences were scheduled throughout the remainder of the day for any parents who were not able to make it on November 8.

When school opened in September, the total enrollment for grades 7 & 8 was 470. This is 10 more pupils than in September, 1970. In grade seven, there were 233 pupils; in grade 8, there were 237.

The cooperation and interest shown by the administration, the teachers, and the parents are sincerely appreciated. Their efforts have been of tremendous importance in furthering the educational improvement of the pupils of the Junior High School.

#### *The High School:*

Various curricular changes over the past year included increased enrollment in older courses and the institution of newer courses both for college-bound and non-college-bound students. Among these changes appear the following new courses and enrollments:

##### New courses for 1971-72;

1. Algebra 2 and Trigonometry has two divisions and 51 students.
2. Psychology, a  $\frac{1}{2}$  year course has three divisions and 75 students.
3. Consumer Economics and Problems of Democracy have become  $\frac{1}{2}$  year courses.
4. Earth Science has five divisions and 135 students.
5. A non-college preparatory Chemistry has one division and 13 students.
6. A non-college preparatory Biology has two divisions and 47 students.
7. Anatomy and Physiology has one division and 15 students.
8. Health Education has four divisions and 116 students.
9. Clerical Record Keeping has one division and nine students.
10. Industrial Arts is now open to all students, and enrollment has increased from 37 to 110. The change has also enabled us to increase enrollment in Drawing from 59 to 137.
11. Music Literature has one division and ten students.

Our music program has been further improved by scheduling our band and chorus four times weekly.

An activity program for which one period each week is reserved, provides time for fifteen clubs to meet with their advisors.

Linda Fisher, daughter of Mr. and Mrs. Robert Fisher of 22 Park Hill Avenue, was chosen as the DAR Good Citizen.

The student Government Representative was John Cristo, son of Mr. and Mrs. Joseph Cristo of 7 Cristo Lane.

### ***Horace Mann***

We would like to congratulate the following students on their exemplary academic performance;

### *Scholarship Awards*

On class day 1971 the following scholarships and awards were presented: Millbury Woman's Club—\$300 each, Lynn Bergstrom, Bryan Anderson; Marjorie Roberts Memorial—\$350, Christine Doud; Millbury Credit Union—\$200, Cynthia Cristo; American Legion Auxiliary—\$100, Lynn Bergstrom; American Legion Devoe Taylor Post #9—\$50, Thomas Ryder; Dorothy Manor Mothers' Club—\$200, Bryan Anderson; Millbury Athletic Association—\$250, William Burak; Dr. Marcus M. Henneberry Memorial—\$100, Cheryl Blondin; Millbury Teachers' Association—\$200 each, Patricia Graham, Christine Doud, Michelle Cosky; Millbury Kiwanis Club—\$250 each, William Burak, Christine Doud; West Millbury Social Union—\$50, Lynn Bergstrom; Millbury Memorial High School Student Body—\$100 each, Lynn Bergstrom, Cynthia Cristo, Christine Donovan, Patricia Graham, Suzanne Rogers; Millbury High School Dramatic Club—\$100 each, James Moroney, Pamela VanOstrand; Band and Chorus—\$100, Christine Doud; V. F. W. Auxiliary-Charles F. Minney Post #3329—\$100, Kathleen Gallery; Concerned Citizens Committee—\$200 Patricia Graham; \$100, Christine Doud; \$100, Kathleen Gallery; \$100, Cynthia Cristo; \$50, Elaine Paille; \$50, Bryan Anderson; \$50, Donald Beesley; \$50, Keith Orrell; \$50, Patricia Goulding; St. Brigid's Mens' Club—\$100, Christine Doud; St. Brigid's Women's Club—\$100, Kathleen Gallery; D. A. R. Good Citizenship Award—Patricia Graham; Readers Digest Award to the Valedictorian of the Graduating Class—Michelle Cosky.

Parent conferences were held on December 2, 1971 and the teachers had an opportunity to explain the program to any parent wishing to avail himself of this opportunity.

The administration thanks the teachers and students who have been actively engaged in furthering Millbury's educational program.

The graduation program for the class of 1971 was, as usual, beautifully presented;

### **GRADUATION CLASS OF 1971**

Processional .....	Graduating Class
Invocation .....	Rev. James McCarron
Chorus	
Ave Verum .....	W. A. Mozart
Friendship in Focus .....	Patricia Graham
The Rights and Responsibilities of Today's Youth ..	Susan Lindstrom

## RETIREMENTS

Name	Position	Date
Anna Callahan, R.N.	School Nurse	Jan. 29, 1971
Betty Leonard	Librarian	June 24, 1971

During 1971 Millbury paid tribute to Mrs. Betty Leonard who retired as high school librarian after performing an outstanding job in bringing order out of our meager facilities. Even for so short a time it was a pleasure having her acquaintance. We hope her years of retirement are personally rewarding.

Also, we shall miss the wonderful services provided by Anna Callahan who performed in our health department from 1953 to 1971. Best of luck to you, Anna, for your invaluable help over the years.

## *In Memoriam*

The School Department notes with regret the passing of three fine educators who had given so much of themselves for education in Millbury: Margaret Burns, who retired in 1963 after 50 years of service; Alice Donohue, who retired in 1969 after 45 years of service; and Bertha (Holman) Freeman, who taught at Providence Street School from 1916 to 1920. We shall miss these wonderful women who spent their lives in service to children. May they find eternal peace. In addition, the School Department notes with deep regret the passing of John Wood, a member of our custodial staff, from 1963 to 1971, who gave instinctively of his service and time above and beyond what was required. The staff and children will greatly miss John.

## *Conclusion*

The year has ended with Millbury at a crossroads. Do we move forward or backward? Do we want our children to move out of town to raise their families amid better educational facilities, or will we provide a future for them ourselves? Let us consecrate our energies to looking forward with renewed confidence.

As ever, it is a pleasure to extend my personal thanks to the entire staff, students, and town officials who have helped to achieve our goals. We can all do no less for our future citizens.

Respectfully submitted,

DR. IRWIN C. ELKINS  
Superintendent of Schools

# **Report of Blackstone Valley Vocational Regional District School Committee**

In September we started our sixth year of operation with 85 seniors, 120 juniors, 151 sophomores, and 150 freshmen for a total of 506 pupils. The number of boys from each of the towns was as follows: 46 from Bellingham, 27 from Blackstone, 16 from Douglas, 57 from Grafton, 26 from Hopedale, 15 from Mendon, 70 from Milford, 65 from Millbury, 7 from Millville, 68 from Northbridge, 30 from Sutton, 29 from Upton, and 50 from Uxbridge.

## *Lincoln Arc Welding Foundation Awards*

For the fourth successive year Blackstone Valley Tech has finished first in the entire United States in awards won by its students in the annual Lincoln Arc Welding Foundation contest.

Competing with hundreds of high schools throughout the country, 8 Valley Tech students came through with 1 National Grand Award, 3 Regional Awards, and 2 merit awards, totaling \$1200 in prize money for themselves and the school.

The Lincoln Electric Company created the James F. Lincoln Arc Welding Foundation in 1936 to encourage interest and study in arc welding. The Foundation sponsors the Arc Welding Awards annually for full-time high school, technical or vocational school students in the United States 19 years old or younger. This award program offers an opportunity to compete for \$15,000 in regional and national cash awards. These awards are made for the best written reports describing arc welded school shop projects. The entry must not be more than 25 pages in length and should contain detailed descriptions of the operations, all necessary calculations, photographs, sketches and drawings.

## **ADULT TRAINING PROGRAMS**

### *Evening Trade Extension Courses*

The evening trade extension courses for adults started Monday, October 4, 1971. These classes are open to persons over 16 years of age who are not attending school and who can show evidence of trade contact with the specific training desired. The following courses were offered: Auto Body Repair, Auto Mechanics, Mill and House Carpentry, Electronics, Electrical, Machine Shop, Metal Fabrication, Plant Maintenance, Drafting, Graphic Arts, Plumbing, and Blueprint Reading. A total of 449 adults were registered and 385 were enrolled in these courses. The number of students from each of the towns was as follows: 19 from Bellingham, 16 from Blackstone, 12 from Douglas, 22 from Grafton, 6 from Hopedale, 12 from Mendon, 79 from Milford, 20 from Millbury, 4 from Millville, 75 from Northbridge, 12 from Sutton, 47 from Upton, and 45 from Uxbridge. We enrolled an additional 16 students from towns that are not members of our regional school district. The tuition for these students was paid for by their towns.

### *Automotive Machinist Program*

This program was organized for unemployed young men under the provisions of the Manpower Development and Training Act. It

was developed with the cooperation of an advisory committee from the Automotive Wholesalers Association of New England and it is the only program of its kind in the United States. The program operates 8 hours per day five days per week and is in session throughout the entire year.

The first section of this program started July 10, 1967 and our sixth section graduated on December 23, 1971. During the past four years we have given training to over 91 men and have helped them to become gainfully employed at no cost to the member towns, inasmuch as this program is financed entirely with federal funds.

#### *Conclusion*

Midway through our sixth school year we feel that the Blackstone Valley Regional Vocational Technical High School is operating efficiently and serving the people of the area effectively in several divergent capacities, as shown in the number of students who enrolled in the regular day program and in the adult training programs:

1. 506 freshman, sophomore, junior and senior boys in the day program.
2. 385 men and women in the Evening Trade Extension program.
3. 15 young men in the Automotive Machinist program.

Thus we have offered about 906 people the opportunity to further their education and to increase their vocational skills. In addition, our school is in operation from 8:00 A.M. to 9:30 P.M. every day except Friday when we close at 4:30 P.M.

1971 has been a good year for us, and the reason lies in great measure in the cooperation between the staff, students, and the communities we serve. We have come to expect this loyalty and support, but we hope we will never take it for granted; therefore it is fitting that each year when we report on our school's progress, we close with a sincere expression of gratitude to all who make it possible.

Summary of Capital and Operating Expenses for the Town of Millbury for 1971.

Operating Expenses	Capital Expenses	Total	Income Chapter 779	Net Cost To Town
\$69,871.00	\$13,324.00	\$83,195.00	\$86,560.00	-\$3,371.00

It has been a pleasure to serve as your School Committee Member.

Respectfully submitted,

LEODORE J. TEBO, JR.

# TOWN WARRANT

To either of the Constables of the Town of Millbury, in the County of Worcester.

## GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in election and town affairs to meet at their respective voting places to wit: Precinct No. 1 at the basement of the Baptist Church; Precinct No. 2 at the Elmwood Street School; Precinct No. 3 at the Memorial High School; Precinct No. 4 at the Dorothy Manor School; and Precinct No. 5 at the East Millbury School on Saturday the eleventh day of March, next at 8:00 in the forenoon, to elect the following officers to wit:

ARTICLE 1. To choose a member of the Re-Development Authority, and an Assessor for a term of two (2) years; one Selectman, one Assessor, one Treasurer, one member of the School Committee, one Trustee of the Public Library, one Cemetery Commissioner, one member of the Board of Health, one member of the Blackstone Valley Vocational Regional District School Committee, one member of the Sewerage Commission, and one Highway Surveyor all for a term of three years; one Park Commissioner for a term of four years; one member of the Planning Board, one member of the Housing Authority, one member of the Re-Development Authority and one Park Commissioner, all for a term of five years and nine Charter Commission members. And the following questions: Question 1. Shall a Commission be elected to frame a Charter for the Town of Millbury, Yes or No. Question 2. Shall Licenses be granted in this Town for the operation, holding or conducting of a game commonly called Beano? Yes or No.

ARTICLE 2. To choose all other necessary Town Officers for the year ensuing and to meet on March 4, 1972 at 2:00 P.M. in the Memorial High School Auditorium in said Millbury and to act on the following articles to wit:

ARTICLE 3. To hear the reports of several Town Officers and Committees and act thereon.

ARTICLE 4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of Streets, the salaries of town officials, the maintenance of the Town Library, the observance of Memorial and Armistic Days, Care and improvement of cemeteries care of clocks, care of fire alarm, the use of the Tree Warden, the use of Department of Veterans' Services, use of Emergency Dispatcher, salaries of Fire and Police Departments, Retirement Pensions, Town Engineer, or take any action thereon.

ARTICLE 5. To choose any Committee or Committees that may be thought necessary.

ARTICLE 6. To see what action the Town will take regarding the hiring of nine or more policemen to patrol our streets and to raise and appropriate money for the same, or take any action thereon.

ARTICLE 7. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen to borrow money from

time to time in anticipation of the revenue for the financial years beginning January 1, 1972, and January 1, 1973, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action thereon.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to sell, after giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen, or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, of the General Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, or take any action thereon.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money to provide one police officer for traffic duty at the Saturday Evening Mass and at all Sunday Masses at St. Brigid's Church and Sunday Services at the Federated and Baptist Churches, or take any action thereon.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury a sum of money to be expended in conjunction with any money which may be allotted by the State or County, or both, under the provisions of Chapter 90 of our General Laws to continue the reconstruction of Grafton Street, or take any action thereon.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Nineteen Hundred Dollars (\$1,900.00) to be expended under the supervision of the Board of Selectmen and the Highway Surveyor for the purpose of installing, repairing and replacing the Town street and highway fences wherever necessary, or take any action thereon.

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money to place Memorial Wreaths on the monuments situated at each Veteran's Square in the Town, or take any action thereon.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to purchase markers for all veterans' graves, or take any action thereon.

**ARTICLE 17.** To see if the Town will vote to raise and appropriate a sum of money to add to the Stabilization Fund for the Town of Millbury, or take any action thereon.

**ARTICLE 18.** To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to sponsor a band concert and fire works to be held on the 4th of July 1972, or take any action thereon.

**ARTICLE 19.** To see if the Town will vote to authorize the Board of Assessors to use a sum not in excess of that approved by the Director of Accounts as Millbury's "Free Cash" to reduce the tax rate in 1972, or take any action thereon.

**ARTICLE 20.** To see if the Town will vote to authorize the Assessors to enter into a contract for Fifty-seven Thousand Dollars (\$57,000.00) for the expert appraisal of taxable property within the Town as provided under Section 4 of Chapter 40 of the General Laws as amended by Chapter 63 of the Acts of 1966 and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds, or by borrowing as provided under the provisions of Section 7 of Chapter 44 of the General Laws, as amended by Chapter 83 of the Acts of 1966, or take any action thereon.

**ARTICLE 21.** To see if the Town will vote to authorize the Conservation Commission to use the sum of Eighteen Thousand Dollars (\$18,000.00) from their Land Acquisition Account—Fifteen Thousand Dollars (\$15,000.00) that was approved in Article 4 of the 1971 Annual Town Meeting and the balance of Three Thousand Dollars (\$3,069.00) from Article 4 of the 1970 Annual Town Meeting—to purchase approximately ten (10) acres of land from James Little and approximately eighty (80) acres of land from George Stowe to be used for Conservation purposes and to help better establish the Town's "Green Belt" area. This vote is required to receive fifty per cent (50%) reimbursement from the State under the Self-Help Act.

**ARTICLE 22.** To see if the Town will vote to raise and appropriate a sum of money to erect a monument in honor of Vincent D. Jacques who was killed in action with the U.S. Navy during World War II, this monument to be erected on the West Millbury Playground, thus commemorating this playground to be known as the "Vincent D. Jacques Memorial Park," or take any action thereon.

**ARTICLE 23.** To see if the Town will vote to name the intersection of Davis Road and Doian Road the "Donald Young Square" in memory of Donald Young who gave his life in the service of his country with honor in Vietnam, and to further vote to raise and appropriate a sum of money to place a suitable monument and plaque at said Square, or take any action thereon.

**ARTICLE 24.** To see if the Town will vote to join the "UPPER BLACKSTONE WATER ABATEMENT DISTRICT" particularly so that the following streets can be hooked into the sewerage system of Worcester, Massachusetts, at a later date: Johnson Street, Johnson Street Extension, Park Hill Avenue, Heather Avenue, Highland Avenue and Hollywood Avenue because of the topography, or take any action thereon.

**ARTICLE 25.** To see if the Town will vote to install "No Parking in Between Signs" at anytime at the east end of Sycamore Street on the northerly side starting from the fire hydrant in a

westerly direction for a distance of about two hundred (200) feet more or less, or take any action thereon.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to support the surplus food distribution program for the Town of Millbury, or take any action thereon.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money to purchase a new grader for use by the Highway Department, said purchase to be made by a committee composed of the Board of Selectmen and the Highway Surveyor, according to Town By-law, or take any action thereon.

ARTICLE 28. To see if the Town will vote to establish a Municipal Office Building Fund, and to further vote to transfer a sum of money from the Stabilization Fund to the Municipal Office Building Fund, or take any action thereon.

ARTICLE 29. To see if the Town will vote to instruct the Board of Selectmen to acquire land to straighten the "S" curve on Stone Road located in the vicinity of the Chaffee House, either by purchase or eminent domain, or take any action thereon.

ARTICLE 30. To see if the Town will vote to abandon a section of Stone Road beginning at a point approximately six hundred and twenty (620) feet from West Main Street and running westerly for a distance of two hundred and fifty (250) feet, more or less, or take any action thereon.

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem in the vicinity of 4 Budreau Avenue, or take any action thereon.

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money to reconstruct and resurface Pineland Avenue, or take any action thereon.

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on the westerly side of Wheelock Avenue from Gordon's Corner to the Massachusetts Turnpike Bridge, or take any action thereon.

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to install a culvert through a Town easement located between 59 and 63 West Main Street, or take any action thereon.

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem in the vicinity of 27 Sullivan Place, or take any action thereon.

ARTICLE 36. To see if the Town will vote to accept the street known as Round Pond Road as a public street, or take any action thereon.

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem on the easterly side of Harris Avenue about 300 feet from West Main Street, or take any action thereon.

ARTICLE 38. To see if the Town will vote to accept Birchwood Drive as a public street, a distance of 625 feet, as recorded in the registry of deeds Book 321, Plan 17, or take any action thereon.

**ARTICLE 39.** To see if the Town will vote to accept Oakview Drive as a public street, a distance of 750 feet, as recorded in the registry of deeds Book 344, Plan 45, or take any action thereon.

**ARTICLE 40.** To see if the Town will vote to accept Juniper Drive from Pole 16 to Ridgewood Drive as a public street, a distance of 700 feet as recorded in the registry of deeds Book 321, Plan 17, or take any action thereon.

**ARTICLE 41.** To see if the Town will vote to raise and appropriate a sum of money to continue the reconstruction of Elm Court, or take any action thereon.

**ARTICLE 42.** To see if the Town will vote to raise and appropriate a sum of money to continue the reconstruction of a section of Auburn Road, or take any action thereon.

**ARTICLE 43.** To see if the Town will vote to raise and appropriate a sum of money for the reconstruction of drainage on Johnson Street, or take any action thereon.

**ARTICLE 44.** To see if the Town will accept a drainage easement from Normand C. Lajoie, property located on Harris Avenue, or take any action thereon.

**ARTICLE 45.** To see if the Town will vote to raise and appropriate a sum of money for use by the Industrial Development Commission for printing a brochure, and the balance to be used for expenses of the commission, or take any action thereon.

**ARTICLE 46.** To see if the Town will vote to accept the deed of William E. Forrest for a public way known as "Jackie Drive" as shown on a plan by Kenneth Shaw dated September 1965 and recorded in the Worcester District Registry of Deeds Plan Book 294, Plan 34, without consideration, or take any action thereon.

**ARTICLE 47.** To see if the Town will vote to raise and appropriate a sum of money to improve the parking lot at the location of the old Town Hall located at the corner of Elm Street and South Main Street, or take any action thereon.

**ARTICLE 48.** To see if the Town will vote to grant Thomas N. and Kathleen M. Cristo the premises described below for a nominal consideration and with all expenses to be assumed by the grantees, or take any action thereon.

BEGINNING at the more easterly intersection of the old location of the northerly line of Wheelock Avenue with the new location of the southerly line of Wheelock Avenue and at the new westerly line of the new street known as Cristo Lane;

THENCE S.  $71^{\circ} 57' 00''$  E. 31.92 feet more or less by the new location of Wheelock Avenue to the more westerly point of intersection of the southerly line of the new location of Wheelock Avenue with the northerly line of the old location of Wheelock Avenue;

THENCE S.  $70^{\circ} 28'$  W. 12.50 feet more or less by the northerly location line of the old Wheelock Avenue to a point on the northerly line of the old location of Wheelock Avenue;

THENCE southeasterly a distance of 73.87 feet by a curve to the left the radius of which is 77.78 feet to a point on the northerly line of the old location of Wheelock Avenue;

THENCE N. 55° 06' 10" E. 70.48 feet by the northerly line of the old location of Wheelock Avenue to the point of beginning.

Together with the feet in old Wheelock Avenue bounded:

Northerly by the southerly line of the new location of Wheelock Avenue, the above described premises, and the southerly line of the new location of Wheelock Avenue;

Southwesterly, southerly and southeasterly by the former southerly line of Wheelock Avenue;

Easterly by the westerly line of Cristo Lane.

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money to complete the engineering survey at the Town Landfill Area, or take any action thereon.

ARTICLE 50. To see if the Town will vote to raise and appropriate a sum of money to purchase a suitable size Bulldozer for use at the Landfill Operation, or take any action thereon.

ARTICLE 51. To see if the Town will vote to appoint a Committee of eight (8) to study the feasibility of a new Landfill site and municipal rubbish collection, one member to be appointed from each precinct and three members of the Board of Health and to report back at the next Annual Town Meeting, or take any action thereon.

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money for expenses of the Study Committee (Article 51), or take any action thereon.

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money to extend the fire alarm system on Grafton Street from Memorial Drive to Braney Road, or take any action thereon.

ARTICLE 54. To see if the Town will vote to contract with Massachusetts Water Works Company, Incorporated, to install two (2) fire hydrants on Hemlock Drive at a location to be determined by the Board of Fire Engineers, or take any action thereon.

ARTICLE 55. To see if the Town will vote to contract with the Massachusetts Water Works Company, Incorporated, for the installation of one (1) fire hydrant on the northwest corner of Diane Street and Wheelock Avenue, or take any action thereon.

ARTICLE 56. To see if the Town will vote to contract with the Massachusetts Water Works Company, Incorporated, for the installation of one (1) fire hydrant on Bellville Lane in front of house #21, exact location to be determined by the Board of Fire Engineers, or take any action thereon.

ARTICLE 57. To see if the Town will vote to contract with the Massachusetts Water Works Company, Incorporated, for the installation of one (1) fire hydrant on Riverlin Street at the end of the existing water main, exact location to be determined by the Board of Fire Engineers, or take any action thereon.

ARTICLE 58. To see if the Town will vote to contract with the Massachusetts Water Works Company, Incorporated, to install one (1) hydrant on Beach Street, nearest Elmwood Street, exact location to be determined by the Board of Fire Engineers, or take any action thereon.

**ARTICLE 59.** To see if the Town will vote to raise and appropriate a sum of money to purchase a new street sweeper for use by the Highway Department, said purchase to be made by a Committee composed of the Board of Selectmen and the Highway Surveyor, according to Town By-law, or take any action thereon.

**ARTICLE 60.** To see if the Town will vote to raise and appropriate a sum of money to purchase a new street sander to be used by the Highway Department, said purchase to be made by a Committee composed of the Board of Selectmen and the Highway Surveyor, according to Town By-law, or take any action thereon.

**ARTICLE 61.** To see if the Town will vote to raise and appropriate a sum of money to put an addition on the Highway Department garage located on River Street, or take any action thereon.

**ARTICLE 62.** To see if the Town will vote to raise and appropriate a sum of money to lease the former A & P parking lot on Elm Street from the Harris Realty Trust to be used for off-street parking, or take any action thereon.

**ARTICLE 63.** To see if the Town will vote to raise and appropriate a sum of money to renovate the Town-owned building known as the Bedrosian Barn to be used as an office, maintenance and storage building by the Parks and Recreation Department, or take any action thereon.

**ARTICLE 64.** To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to be used by the Charter Commission for necessary expenses in preparing a proposed Charter, or take any action thereon.

**ARTICLE 65.** To see if the Town will vote to enact a leash law to restrain all dogs at all times, except on predesignated areas such as hunting preserves or private property, or take any action thereon.

**ARTICLE 66.** To see if the Town will vote to raise and appropriate a sum of money to enforce a dog leash law, or take any action thereon.

**ARTICLE 67.** To see if the Town will vote to adopt a 24-hour Dog Leash Law as follows:

1. No person owning, or harboring a dog (male or female) in the Town of Millbury shall permit such dog to run at large in the Town of Millbury other than on the premises of the owner or keeper, unless it be on the premises of another person with the knowledge and expressed permission of such other person, except:
  - (a) if such dog is attached to a restraining device, not to exceed six feet, and under the care and control of a person competent to restrain said dog so that it shall not be a threat to public safety.
  - (b) if such dog is being used as a hunting dog, so-called, during legal hunting season and is being supervised as such by a person competent to restrain such dog so that it shall not be a threat to public safety.
2. It shall be the duty of the dog officer to investigate all complaints concerning dogs which are alleged to be in violation of this by-law

and to apprehend any dog found by him to be a public nuisance and to impound such dog in a suitable place or to order the owner thereof to restrain said dog.

3. Return of the dog to the licensed owner or keeper shall be dependent on admission of ownership or the keeping of the dog and the assumption of responsibility by the licensed owner or keeper.
4. The owner of any dog impounded may reclaim such dog upon reimbursement to the dog officer for expense in maintaining said dog while impounded. The dog officer shall not charge more than two dollars (\$2.00) for reimbursement of said expenses for each twenty-four (24) hour period or any part thereof that the dog is held by him, plus five dollars (\$5.00) as a fee for initial handling of such dog, except if such dog is not licensed, that before release, to any person is made by the dog officer, a license as required by the Town of Millbury shall be secured.
5. Any dog impounded for ten days and has not been redeemed by the owner shall be disposed of as provided in the General Laws of the Commonwealth of Massachusetts and any amendment thereto.
6. Any owner violating any of the provisions of this by-law shall be punished by fine of not more than ten dollars (\$10.00) for each offense in accordance with the provisions of the General Laws of the Commonwealth of Massachusetts.
7. Any funds collected pursuant to the provisions of this by-law by the dog officer shall be accounted for and paid over to the Town Treasurer at such time and in such manner as may be designated by the Town Treasurer.

ARTICLE 68. To see if the Town will vote to amend the By-laws of the Town of Millbury by adopting the following "Personnel Administration Plan" as Article 11 under the General By-laws, and raise and appropriate a sum of money for operating expenses of the Personnel Board, or take any action thereon.

#### PERSONAL ADMINISTRATION PLAN

SECTION 1. TITLE. The provisions of this chapter shall be for the purpose of providing, creating and supervising personnel policies by the Personnel Board in the Town of Millbury, with the following powers and duties, including the duty to administer any wage or classification plan which may be adopted by the Town under the provisions of General Laws, Chapter 41, Section 108A, which is hereinafter referred to as the Plan.

SECTION 2. PERSONNEL BOARD. Under the Plan, there shall be a Personnel Board consisting of five residents of the Town, at least one of whom shall be experienced in personnel management, said Board to be appointed by the Board of Selectmen. No person shall serve upon said Personnel Board who is at the same time an employee of the Town or who holds an elective Town office or who is a member of any other permanent Town committee, board or commission. The Personnel Board shall serve without compensation.

The term of office of members of the Personnel Board shall be three years, but the terms of no more than two members shall expire the same year. (When Personnel Board is first appointed, one member shall be appointed for one year, two members for two years, and two members for three years.) Any vacancies shall be filled by the

Selectmen to serve the balance of the unexpired term. All members shall hold office until their successors have been appointed and qualified.

**SECTION 3. OFFICERS AND PROCEEDINGS.** The Personnel Board shall annually, in April, meet and organize by electing its own Chairman and Clerk. The Board shall keep a record of its official proceedings and actions. A majority of the Board shall constitute a quorum and votes of a majority of all members shall be necessary to act on any matter upon which it is authorized or required to pass under the Administration Plan.

The Personnel Board shall meet regularly at least once a month in at least ten months of every year for the transaction of business under this by-law and it may hold such special meetings as may be called by the Chairman or directed by a vote of the Board.

**SECTION 4. DUTIES OF THE PERSONNEL BOARD.**

(a) The Personnel Board shall administer the Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of such plan, and shall have the authority to decide all questions relating to the application of this by-law.

(b) The Board shall maintain written descriptions of the job titles provided by department heads describing the essential characteristics, requirements and the general duties of said title. The descriptions shall not be interpreted as complete or limiting definitions, and employees shall continue to perform any duties assigned by their superiors.

(c) The Town Auditor and department heads shall keep such records of the employees of the Town as the Board may require. The Board shall keep such records of its own as it considers appropriate. All records of the Town, by whomever kept, pertaining to the Town's employees shall be open, to inspection by the Board, or any of its members, at all reasonable times.

(d) The Personnel Board, from time to time, shall review all classifications under its jurisdiction. Such reviews shall be so scheduled as to cover all such classifications at intervals of not more than three years. No new classifications shall be established without a report from the Personnel Board. Failure of the Personnel Board to report shall not prevent the Town from acting on proposals. In case of necessity, the Personnel Board may tentatively approve a new classification or reclassify an existing classification, subject to the subsequent ratification of its action at the next Town Meeting.

(e) The Personnel Board shall keep informed as to pay rates and policies outside the services of the Town, and shall recommend to the Town any action deemed desirable to maintain a fair and equitable pay level.

(f) Pay schedules shall be determined and reviewed by the Personnel Board and adopted by vote of the Town at a Town Meeting.

(g) The Personnel Board shall organize and conduct its business in accordance with the provisions of the By-laws of the Town.

(h) The Personnel Board shall submit an annual report and attendance record to the Board of Selectmen for incorporation into

the Annual Town Report, and make any recommendations on matters related to the Plan it considers should be acted upon by the Town.

**SECTION 5. APPLICATION.** The provision of this By-law shall apply to all employees in the service of the Town, other than positions filled by popular election and those under the direction of the School Committee.

**ARTICLE 69.** To see if the Town will vote to raise and appropriate a sum of money to purchase three (3) new police cruisers, said purchase to be made by a committee composed of the Board of Selectmen and the Chief of Police, or take any action thereon.

**ARTICLE 70.** To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 48 on South Oxford Road, or take any action thereon.

**ARTICLE 71.** To see if the Town will vote to raise and appropriate a sum of money to install two (2) street lights on Broadmeadow Avenue on Poles Number 2 and 5, or take any action thereon.

**ARTICLE 72.** To see if the Town will vote to raise and appropriate a sum of money to install four (4) street lights on Peplville Lane on Poles Number 4, 6, 8 and 10, or take any action thereon.

**ARTICLE 73.** To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 4 on Wilson Road, or take any action thereon.

**ARTICLE 74.** To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 2 on Park Street, or take any action thereon.

**ARTICLE 75.** To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 8 on Hayward Lane, or take any action thereon.

**ARTICLE 76.** To see if the Town will vote to raise and appropriate a sum of money to install two (2) street lights on Oakview Drive on Poles Number 2 and 5, or take any action thereon.

**ARTICLE 77.** To see if the Town will vote to raise and appropriate a sum of money to install a street light at the intersection of Wheelock Avenue and Oak Pond Avenue on Pole Number 28, or take any action thereon.

**ARTICLE 78.** To see if the Town will vote to raise and appropriate a sum of money to install five street lights on Hemlock Drive on Poles Number 2, 4, 6, 8, and 10, or take any action thereon.

**ARTICLE 79.** To see if the Town will vote to raise and appropriate a sum of money to replace the present 1,000 lumen light on Pole No. 10 on Rhodes Street with a 3,500 lumen mercury vapor light, or take any action thereon.

**ARTICLE 80.** To see if the Town will vote to raise and appropriate a sum of money to replace two (2) 1,000 lumen lights on Poles Number 26 and 41 with 3,500 lumen mercury vapor lights; and install four (4) 3,500 lumen mercury vapor lights on Poles Number 35, 38, 43 and 45 on Grafton Street, or take any action thereon.

**ARTICLE 81.** To see if the Town will vote to amend the Town of Millbury Building Code by deleting Sections 1 through 18 of the

present Millbury Building Code, and adopting the following By-law, or take any action thereon.

#### "TOWN OF MILLBURY BUILDING CODE

ARTICLE 1. CODE APPLICATION. For all structures not issued permits prior to the effective date of this by-law, the 'One- and Two-Family Dwelling Code,' 1971 edition, published by the American Insurance Association and others,\* and as revised herein, shall in Millbury govern construction of all one- or two-family dwellings not more than three stories in height, and their accessory structures; and the Commonwealth of Massachusetts Board of Standards Building Code, Form STD-10 as filed August 31, 1971\* and as revised herein, shall govern all other construction in the Town of Millbury.

\* Copies of which have been posted in the Town Hall and available in the Town Clerk's office.

#### ARTICLE 2. ONE- AND TWO-FAMILY DWELLING CODE REVISIONS.

- a) Section R-101. Delete the word 'ordinance' and substitute the word 'by-law.'
- b) Section R-104. Delete in its entirety, and substitute the following:

##### *'Authority'*

Sec. R-104. The Building Inspector shall be appointed and have duties and powers as specified in Sections 107 and 108 of the Town of Millbury Basic Building Code.'

- c) Section R-106, second paragraph. Delete the word 'City' and substitute the word 'Town.'
- d) Section R-106, fourth paragraph. Delete in its entirety, and substitute the following:

##### *'Penalty'*

Any person, firm or corporation who violates or refuses to comply with any of the provisions of this by-law may, upon conviction, be fined not more than fifty dollars for each offense. Each day that such violation continues shall constitute a separate offense.'

- e) Section R-107. Delete in its entirety, and substitute the following:

##### *'Right of Appeal'*

Sec. R-107. All persons shall have the right to appeal the Building Inspector's decision through the Board of Appeals (Building Code) established under Section 127 of the Town of Millbury Basic Building Code.'

- f) Section R-109. Delete the words 'local jurisdiction' and substitute the words 'Board of Selectmen.'
- g) Section R-202. Delete in its entirety, and substitute the following:

##### *'Design Criteria'*

Sec. R-202. Buildings shall be constructed in accordance with the provisions of this Code using the design criteria set forth in Table No. 2-A.

Table No. 2-A

Climatic and Geographic Design Criteria

Roof live† load, 30 lbs. per sq. ft.

Roof snow† load, 30 lbs. per sq. ft.

Wind velocity, 30 lbs. per sq. ft.

Seismic condition, Zone 2

Subject to damage from

Weathering: no

Frost line depth: yes. Minimum footing depth to be 48" below finish grade.

Subject to damage from

Termites: yes

Decay: yes

†Roof snow and live loads are not additive.'

- h) Section R-801. Delete the paragraph headed 'Exception.'

- i) Section R-1001. Insert new section, to read as follows:

*'Swimming Pools'*

Each swimming pool shall be enclosed by a fence not less than four (4) feet (48") in height and shall completely enclose the swimming pool area. Each fence must have a gate that shall be locked when such pool is not being used or is unattended and the latching device shall be located a minimum of three (3) feet from grade level, and a locking device attached thereto. Fencing for above ground pools shall be deemed to be complied with if there is a ladder that may be raised, removed, secured, hoisted or locked in a raised position.

Pools of the above ground type with side walls less than four (4) feet must be fenced according to the above.

Each fence and gate shall be constructed either of wire mesh, wood or concrete blocks. Posts and cross pieces of any fence shall be placed on the inside or pool side of said fence. Mesh or openings in fence shall be no larger than two inches wide and four inches high. (2" x 4")

All metal fences, enclosures, or railings near or adjacent to a swimming pool to which bathers have access, which may become electrically alive as a result to contact with broken overhead conductors, or from any other cause, shall be effectively grounded. All lighting and electrical equipment shall be installed according to the National and State Electrical Codes, and shall comply to local inspection and permit requirements.

Each pool affected by the provisions of this By-law and in existence at the time of the adoption of this By-law shall be fenced in accordance with the provisions of this By-law no later than One Hundred Eighty (180) days after its original acceptance, approval and publication (June 8, 1971).'

- j) Delete in their entireties parts IV, V, and VI.

ARTICLE 3. BOARD OF STANDARDS BUILDING CODE REVISIONS

- a) Section 100.1. Delete the first paragraph, and substitute therefor the following:

- '100.1 Title: These regulations shall be known and cited as the Town of Millbury Basic Building Code, hereinafter referred to as the Basic Code.'
- b) Section 100.5. Delete in its entirety, and substitute the following:  
'100.5 Application: This code shall govern all construction in the Town of Millbury except for one- or two-family dwellings not more than three stories in height, and their accessory structures. Those sections which refer to one- and two-family dwellings shall not be included in the compulsory provisions of this code.'
  - c) Section 122.3 Delete in its entirety, and substitute the following:  
'122.3 Violation Penalties: Any person, firm, or corporation who violates or refuses to comply with any of the provisions of this by-law may, upon conviction, be fined not more than fifty dollars for each offense. Each day that such violation continues shall constitute a separate offense.'
  - d) Section 301.1. Delete in its entirety, and substitute the following:  
'301.1 Fire District No. 1: Fire District No. 1 shall comprise all areas in 'Business A' districts as established under the Town of Millbury Zoning By-law.'
  - e) Section 301.2. Delete in its entirety, and substitute the following:  
'301.2 Fire District No. 2: Fire District No. 2 shall comprise all areas in 'Business B' or 'Industrial' districts as established under the Town of Millbury Zoning By-law.'"

ARTICLE 82. To see if the Town will vote to raise and appropriate, or transfer from available funds, the sum of Sixteen Thousand Dollars (\$16,000.00) to be expended by the School Committee to replace equipment lost or damaged in the fire at the Union School, or take any action thereon.

ARTICLE 83. To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money to be expended by the School Committee to demolish the Union School Building, or take any action thereon.

The polls will open at 8:00 a.m. and shall be closed at 6:00 p.m.

Given under our hands this 1st day of February in the year of our Lord one thousand nine hundred and seventy-two.
